SNOWTROOPER TOAST

INGREDIENTS

- 4 slices egg bread
- 2 tablespoons strawberry jam
- 1 egg
- ¼ cup (60 millilitres) low-fat milk
- ¼ teaspoon vanilla extract
- 2 fresh strawberries, hulled and sliced
- 2 teaspoons confectioners' sugar

1. Preheat the oven to 200°F (95°C).
2. If using a sandwich cutter, cut out a shape from 2 of the bread slices. Repeat with the other 2 slices, using the same cutter or the other sandwich cutter. (You will have 4 shaped bread slices in all, with 2 pairs of the same shape.) Set aside 1 of the shaped slices from each pair. On the remaining 2 slices, spread the jam. Top each sandwich with its matching top piece. Chop the bread scraps into 1-inch (2.5-centimetre) pieces. Otherwise, skip to the next step.
3. Heat a 12-inch (30.5-centimetre) skillet over medium heat and spray it with vegetable-oil cooking spray.
4. In a shallow bowl, use a fork to beat the egg with the milk and vanilla until well blended. Dip the filled sandwiches in the egg mixture, turning to soak both sides. If you used the sandwich cutter, toss the bread scraps with the remaining egg mixture. Add the sandwiches to the skillet and cook for about 3 minutes total (1½ minutes per side) until golden. Remove the sandwiches from the pan and place them in the warm oven until ready to serve.
5. If you used the sandwich cutter, spray the pan with more vegetable-oil cooking spray and return it to medium heat. Add the bread scraps and cook them for 3 to 4 minutes, stirring once or twice, until golden and cooked through.
6. Evenly divide the sandwiches and cooked bread pieces (if applicable) between 2 plates. Top with strawberries and sift the confectioners' sugar over everything before serving.

Makes 2 servings.

MILLENNI-YUMS

INGREDIENTS

- ¼ cup (65 grams) peanut butter**
- 1 large ripe banana, cut into ½-inch (12-millimetre) rounds, about 20 to 24 rounds**
- 1 cup (80 grams) crushed vanilla wafers, approximately 22 cookies**
- 2 cups (360 grams) chopped milk chocolate or dark chocolate**
- 2 tablespoons coconut oil**

1. Line a baking sheet with parchment paper or a silicone baking mat.
2. Spread 1 teaspoon of peanut butter onto the tops of half of the banana slices. Top with the remaining banana slices to create a sandwich. Place the filled bananas on the prepared sheet and freeze for 1 hour, or cover with plastic wrap and freeze overnight.
3. Place the crushed wafers in a shallow plate or bowl and set aside.
4. Place the chocolate and coconut oil in a glass or ceramic bowl. Microwave on high for 1 minute. Stir, and microwave again for 30 seconds. Continue heating and stirring until the chocolate mixture is smooth.
5. Dip a filled banana “sandwich” completely into the chocolate mixture. Lift it out with a fork and lightly tap the sandwich on the side of the bowl to remove any excess chocolate. Place the coated banana in the crushed cookies and use a spoon to cover completely. Place the coated banana back on the baking sheet. Repeat with the remaining bananas. Return the coated bananas to the freezer.
6. Freeze the sandwiches in an airtight container for up to 1 month.

Makes 10 to 12 treats.
