

Section 1: Identification

Product Name: Everspring Dish Detergent Refill – Lemon Mint

Product Use: For Dish Care

Product Code: N/A

UN-Number: N/A

Synonyms: N/A

Item ID: N/A

Name & Address of Manufacturer/Distributor:

Davion Inc.
2 Progress Road,
North Brunswick, NJ – 08902. USA
www.davioninc.com
Telephone Number for Information: (973) 485-0793
Emergency Telephone Number: 1-844-932-8466

Intended Use: For dish care.

Uses advised against: Use only as directed on label.

Section 2: Hazard(s) Identification

Health Hazard: Skin irritation - Category 3

OSHA defined hazards: Within the meaning of the OSHA Hazard Communication Standard [29 CFR 1910.1200]: this mixture is not considered a hazard when used in a manner consistent with the labeled direction.

Hazard Category: 3

Hazard Symbol:

Signal Word: Warning

Hazard Statement: Causes skin irritation

Precautionary Statements:

Prevention: Wash skin thoroughly after handling. Wear protective gloves.

Response: IF SKIN IRRITATION OCCURS, get medical advice/attention if you feel unwell.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

IF SWALLOWED: Drink 1 or 2 glasses of water

Storage: N/A

Disposal: N/A

Section 3: Composition / Information on Ingredients

Chemical Name	CAS	Common Name	%
		(If Applicable)	
Water	7732-18-5	N/A	> 56
Coco-Glucoside	110615-47-9	N/A	0.2 – 4.5
Citric Acid	77-92-9	N/A	0.05 - 0.15
Sodium Lauryl Sulfate	151-21-3	N/A	10.00 – 13.00
Lauramine Oxide	1643-20-5	N/A	7.00 - 10.00
Sodium Chloride	7647-14-5	N/A	0.60 - 0.90
Methylisothiazolinone	2682-20-4	N/A	0.030 – 0.060
Methylchloroisothiazolinone	26172-55-4	N/A	0.030 - 0.060
Fragrance	-	N/A	0.20 – 0.50

Note: Specific chemical identity and/or exact percentage (concentration) of composition has been withheld as a trade secret.

Section 4: First-Aid Measures

Eye Contact	Rinse immediately with plenty of water for at least 20 minutes. Seek medical attention.
Skin Contact	In the case of skin irritation or allergies, wash with plenty of water and discontinue use. See physician if required.
Ingestion	If swallowed, drink 1 or 2 glasses of water (only if the person is conscious). If ingestion of a large amount occurs, Seek immediate medical attention or contact Poison Control Center.
Inhalation	Move to fresh air immediately. If coughing or have trouble in breathing, seek medical attention.
Most important symptoms/effects, acute and delayed	None under normal use conditions.
Indication of immediate medical attention and special treatment needed, if necessary: Treat Symptomatically	

Section 5: Fire-Fighting Measures

Suitable extinguishing media	Water fog. Foam. Dry chemical powder. Carbon dioxide (CO ₂).
Unsuitable extinguishing media	Do not use water jet as an extinguisher as this will spread the fire.
Special hazard arising from the chemical	During fire, gases hazardous to health may be formed.
Special Protective Equipment for firefighters	Self-contained breathing apparatus and full protective clothing must be worn in case in fire.

Specific Methods	Use standard firefighting procedures and consider the hazard of other involved materials.
General fire hazards	No unusual fire or explosion hazards noted.

Section 6: Accidental Release Measure

Personal precautions	Ensure adequate ventilation. Do not get in eyes, on skin or on clothing.
Environmental precautions	None.
Cleanup procedure	Contain spillage, and then collect with non- combustible absorbent material (e.g. sand, earth, diatomaceous earth, vermiculite) and place in a compatible labeled waste container for disposal in accordance with applicable local, state and federal regulations.

Section 7: Handling and Storage

Handling Precautions	Use personal protective equipment as required. Keep container closed when not in use. Never return spills in original containers for re-use. Keep out of the reach of children.
Storage Requirement	Store under normal conditions. Keep container tightly closed in a dry, cool and well-ventilated place.
Incompatible Materials	None known.

Section 8: Exposure Controls / Personal Protection

Control Parameters: Exposure Guidelines	Exposure guidelines are not relevant when product is used as intended in a household setting.
OSHA Permissible Exposure Limits	N/A
Engineering Control	Ensure adequate ventilation. Local exhaust is recommended if possible when manufacturing the product.
Personal Protective Equipment (PPE)	Hand gloves, eye and face protection and respiratory protection is recommended when manufacturing the product.
Other protective clothing or equipment	Skin protection is recommended when manufacturing the product.
Work/Hygienic Practices	Keep containers close when not in use. Standard safe working and hygienic practices.

Section 9: Physical and Chemical Properties

Appearance, Color & Odor	Clear to pale yellow liquid. Characteristic Scent.		
pH	6.00 – 9.00	Viscosity	800 -4000
Specific Gravity	N/A	Melting Point	N/A
Boiling Point	100-104 °C / 212-219 °F	Freezing Point	N/A
Vapor Density (Air = 1)	N/A	Evaporation Rate (Butyl Acetate = 1)	N/A

Physical State	Liquid	Vapor Pressure	N/A
Flash point	N/A	Relative Density	0.98 - 1.02
Odor Threshold	N/A	Partial Coefficient	N/A
Decomposition Temperature	N/A	Flammability/Explosive limits	N/A
Auto ignition Temperature	N/A	Solubility in Water	Soluble

Section 10: Stability and Reactivity

Reactivity	None under normal use conditions.		
Stability	Unstable	N/A	Conditions to Avoid
	Stable	X	None under normal processing.
Incompatibility (Materials to Avoid)			
None in particular.			
Hazardous Decomposition or Byproducts			
N/A			
Hazardous Polymerization	May Occur	N/A	Conditions to Avoid
	Will Not Occur	X	N/A

Section 11: Toxicological Information

Eye Contact	May cause eye irritation
Skin Contact	May cause skin irritation
Ingestion	May be harmful if swallowed
Inhalation	May cause irritation of respiratory tract

Carcinogenicity:

National Toxicology Program (NTP) Report on Carcinogens	No
A potential carcinogen in the International Agency for Research on Cancer (IARC) Monographs	No
A potential carcinogen by OSHA	No

Symptoms associated with lowest to the most severe exposure:

Skin corrosion/irritation: No known corrosive effects. May cause irritation.

Serious eye damage/eye: No known effect.
 Skin sensitization: No known effect
 Respiratory sensitization: No known effect
 Acute toxicity: No known effect

Section 12: Ecological Information (non-mandatory)

Eco Toxicity Effects	No information available.
Aquatic Toxicity Effects	No information available.
Persistence and degradability	No information available.
Bioaccumulation	No information available.
Other adverse effects	No information available.

Section 13: Disposal Consideration (non-mandatory)

Waste disposal must be in accordance with appropriate US, Federal, State and International regulations. This product, if unaltered by use, may be disposed of by treatment at a permitted facility or as advised by your local hazardous waste regulatory authority.

Section 14: Transportation Information (non-mandatory)

DOT	Not regulated
IATA	Not regulated
IMDG	Not regulated
Transported in bulk according to Annex II of MARPOL 73/78 and the IBC Code	MARPOL Annex II applied to liquids used in a ship's operation that pose a threat to the marine environment. These materials may not be transported in bulk.

Section 15: Regulatory Information (non-mandatory)

U.S. Federal Regulatory Information	The product follows all federal requirements. All ingredients of this product are listed or are excluded from listing on the U.S. Toxic Substances Act (TSCA) Chemical Substance Inventory.
U.S. State Regulatory Information	The product follows all state requirements. The product is not subject to the reporting requirements under California's Proposition 65.
Other International Regulatory Information	The product follows all international requirements.

Section 16: Other Information

Safety Data Sheet

Disclaimer:

The information and recommendations contained in the Safety Data Sheet (SDS) are supplied pursuant to 29 CFR 1910.1200 of the Occupational Safety and Health Standards Hazard Communication Rule. The information and recommendations set forth herein are presented in good faith and believed to be correct as of this date hereof.

Davion, however, makes no representation as to the completeness or accuracy thereof, and information is supplied upon the express condition that the persons receiving the information will be required to make their own determination as to its suitability for their purposes prior to use. In no event Davion will be responsible for any damages of any nature whatsoever resulting from the use of, reliance upon, or the misuse of this information. User assumes all risk of use, storage and handling of the product in compliance with applicable federal, state and local laws and regulations.

No representations or warranties, either expressed or implied, of merchantability, fitness for a particular purpose, or any other nature, are made by Davion hereunder with respect to information or the product to which the information refers. The information as supplied herein is simply to be informative and intended solely to alert the user of the substance which is the subject matter of this SDS. The ultimate compliance with federal, state or local regulations concerning the use of this compound, or compliance with respect to product liability, rests solely upon the purchaser thereof.

This information relates to the material designated and may not be valid for such material used in combination with any other materials nor in any process.
