

# s'more fun

Putting a twist on an original, let's take a summertime favorite and make it one-of-a-kind with the help of Target.

## instructions:

1. Add the following products to your Target cart, in store or online.
2. Mix and match the following ingredients to make a one-of-a-kind s'mores:
  - a. Using your favorite Good&Gather™ Granola flavor (ours is the salted caramel), sprinkle your warm marshmallow to give your s'more extra crunch.
  - b. Using a Favorite Day™ Donut, slice it down the middle to make a donut-s'more.
  - c. Using the Favorite Day™ Chocolate Syrup, drizzle your warm marshmallow before putting your top graham cracker on to make your s'more extra sweet.
  - d. Put some Favorite Day™ Frozen Chocolate Chip Cookie or Snicker Doodle Bites on before topping off your s'more for that cookies-and-cream flavor!
