USE YOUR MEMORY TO RECALL WHERE THE MATCHING CARDS CAN BE FOUND

2-3 PLAYER GAME

To play, place the cards face down and mix the set up. Turn over two cards at a time, trying to form a matching set. If the cards match, keep them, and if they don't match, lay the cards face down again. Take turns turning over the cards until all have been claimed. The person with the most cards at the end of the game wins!
