

# SAFETY DATA SHEET

Issuing Date No data available

Revision Date 03-May-2018

Revision Number 1

NGHS / English

## 1. IDENTIFICATION

### Product identifier

**Product Name** Clorox® Disinfecting Wet Mopping Cloths

### Other means of identification

**EPA Pesticide registration number** 5813-113

### Recommended use of the chemical and restrictions on use

**Recommended Use** Wipes, Disinfecting  
**Uses advised against** No information available

### Details of the supplier of the safety data sheet

**Supplier Identification** The Clorox Company

**Address** 1221 Broadway  
Oakland  
CA  
94612  
US

**Telephone** 1-510-271-7000

### Emergency telephone number

**Emergency Telephone Number** For Medical Emergencies call: 1-800-446-1014. Transportation Emergencies, call Chemtrec: 1-800-424-9300

## 2. HAZARDS IDENTIFICATION

### Classification

Not a dangerous substance or mixture according to the Globally Harmonized System (GHS).

The product contains no substances which at their given concentration, are considered to be hazardous to health.

**Appearance** White

**Physical state** Pre-Moistened Towelette  
(no free liquids)

**Odor** Multiple Fragrances  
See Section 9 for fragrance information

### GHS Label elements, including precautionary statements

#### **Hazard statements**

Not a dangerous substance or mixture according to the Globally Harmonized System (GHS).

#### **Precautionary Statements - Prevention**

Not applicable

#### **Precautionary Statements - Response**

Not applicable

**Precautionary Statements - Storage**

Not applicable

**Precautionary Statements - Disposal**

Not applicable

**Other information**

Not applicable

**3. COMPOSITION/INFORMATION ON INGREDIENTS**

The product contains no substances which at their given concentration, are considered to be hazardous to health.

**4. FIRST AID MEASURES****First aid measures**

|              |                                                                                                                      |
|--------------|----------------------------------------------------------------------------------------------------------------------|
| Inhalation   | Remove to fresh air.                                                                                                 |
| Eye contact  | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician. |
| Skin contact | Wash skin with soap and water.                                                                                       |
| Ingestion    | Clean mouth with water and drink afterwards plenty of water.                                                         |

**Most important symptoms and effects, both acute and delayed**

|          |                           |
|----------|---------------------------|
| Symptoms | No information available. |
|----------|---------------------------|

**Indication of any immediate medical attention and special treatment needed**

|                    |                        |
|--------------------|------------------------|
| Note to physicians | Treat symptomatically. |
|--------------------|------------------------|

**5. FIRE-FIGHTING MEASURES**

|                                                |                                                                                                                                    |
|------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Suitable Extinguishing Media                   | Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.                            |
| Unsuitable extinguishing media                 | CAUTION: Use of water spray when fighting fire may be inefficient.                                                                 |
| Specific hazards arising from the chemical     | No information available.                                                                                                          |
| Explosion Data                                 |                                                                                                                                    |
| Sensitivity to Mechanical Impact               | None.                                                                                                                              |
| Sensitivity to Static Discharge                | None.                                                                                                                              |
| Special protective equipment for fire-fighters | Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear. Use personal protection equipment. |

## 6. ACCIDENTAL RELEASE MEASURES

### Personal precautions, protective equipment and emergency procedures

**Personal precautions** Ensure adequate ventilation.

### Environmental precautions

**Environmental precautions** See Section 12 for additional Ecological Information.

### Methods and material for containment and cleaning up

**Methods for containment** Prevent further leakage or spillage if safe to do so.

**Prevention of secondary hazards** Clean contaminated objects and areas thoroughly observing environmental regulations.

## 7. HANDLING AND STORAGE

### Precautions for safe handling

**Advice on safe handling** Handle in accordance with good industrial hygiene and safety practice.

### Conditions for safe storage, including any incompatibilities

**Storage Conditions** Keep containers tightly closed in a dry, cool and well-ventilated place.

**Incompatible products** None known based on information supplied.

## 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

### Control parameters

**Exposure Limits** This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

### Appropriate engineering controls

**Engineering controls** None under normal use conditions.

### Individual protection measures, such as personal protective equipment

**Eye/face protection** No special protective equipment required.

**Skin and body protection** No special protective equipment required.

**Respiratory protection** No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required.

**General hygiene considerations** Handle in accordance with good industrial hygiene and safety practice.

## 9. PHYSICAL AND CHEMICAL PROPERTIES

### Physical and Chemical Properties

|                |                                                                                                         |
|----------------|---------------------------------------------------------------------------------------------------------|
| Physical state | Pre-Moistened Towelette (no free liquids)                                                               |
| Appearance     | White                                                                                                   |
| Odor           | Multiple Fragrances - Tuscan Lavender & Jasmine, Pacific Breeze & Coconut, and Fresh Brazilian Blossoms |
| Color          | No information available                                                                                |
| Odor Threshold | No information available                                                                                |

| <u>Property</u>                        | <u>Values</u>            | <u>Remarks</u> <u>Method</u> |
|----------------------------------------|--------------------------|------------------------------|
| pH                                     | 6-9                      | None known                   |
| Melting / freezing point               | No data available        | None known                   |
| Boiling point / boiling range          | No data available        | None known                   |
| Flash Point                            | No data available        | None known                   |
| Evaporation Rate                       | No data available        | None known                   |
| Flammability (solid, gas)              | No data available        | None known                   |
| Flammability Limit in Air              | No data available        | None known                   |
| Upper flammability limit               | No data available        |                              |
| Lower flammability limit               | No data available        |                              |
| Vapor pressure                         | No data available        | None known                   |
| Vapor density                          | No data available        | None known                   |
| Relative density                       | No data available        | None known                   |
| Water Solubility                       | No data available        | None known                   |
| Solubility(ies)                        | No data available        | None known                   |
| Partition coefficient: n-octanol/water | No data available        | None known                   |
| Autoignition temperature               | No data available        | None known                   |
| Decomposition temperature              | No data available        | None known                   |
| Kinematic viscosity                    | No data available        | None known                   |
| Dynamic viscosity                      | No data available        | None known                   |
| Explosive properties                   | No information available |                              |
| Oxidizing properties                   | No information available |                              |

### Other Information

|                            |                          |
|----------------------------|--------------------------|
| Softening Point            | No information available |
| Molecular Weight           | No information available |
| VOC Content (%)            | No information available |
| Liquid Density             | No information available |
| Bulk Density               | No information available |
| Particle Size              | No information available |
| Particle Size Distribution | No information available |

## 10. STABILITY AND REACTIVITY

|                                    |                                           |
|------------------------------------|-------------------------------------------|
| Reactivity                         | No information available.                 |
| Chemical stability                 | Stable under normal conditions.           |
| Possibility of Hazardous Reactions | None under normal processing.             |
| Conditions to avoid                | None known based on information supplied. |
| Incompatible materials             | None known based on information supplied. |
| Hazardous Decomposition Products   | None known based on information supplied. |

## 11. TOXICOLOGICAL INFORMATION

### Information on likely routes of exposure

#### Product Information

|              |                                                                   |
|--------------|-------------------------------------------------------------------|
| Inhalation   | May cause irritation of respiratory tract.                        |
| Eye contact  | May cause irritation.                                             |
| Skin contact | May cause irritation.                                             |
| Ingestion    | Specific test data for the substance or mixture is not available. |

### Information on toxicological effects

|          |                                            |
|----------|--------------------------------------------|
| Symptoms | May cause redness and tearing of the eyes. |
|----------|--------------------------------------------|

### Numerical measures of toxicity

#### Acute Toxicity

|                        |                          |
|------------------------|--------------------------|
| Unknown acute toxicity | No information available |
|------------------------|--------------------------|

### Delayed and immediate effects as well as chronic effects from short and long-term exposure

|                                   |                           |
|-----------------------------------|---------------------------|
| Skin corrosion/irritation         | No information available. |
| Serious eye damage/eye irritation | No information available. |
| Respiratory or skin sensitization | No information available. |
| Germ cell mutagenicity            | No information available. |
| Carcinogenicity                   | No information available. |
| Reproductive toxicity             | No information available. |
| STOT - single exposure            | No information available. |
| STOT - repeated exposure          | No information available. |
| Aspiration hazard                 | No information available. |

## 12. ECOLOGICAL INFORMATION

|                               |                                                                           |
|-------------------------------|---------------------------------------------------------------------------|
| Ecotoxicity                   | The environmental impact of this product has not been fully investigated. |
| Persistence and Degradability | No information available.                                                 |
| Bioaccumulation               | There is no data for this product.                                        |
| Mobility                      | No information available.                                                 |
| Other adverse effects         | No information available.                                                 |

### 13. DISPOSAL CONSIDERATIONS

#### Waste treatment methods

|                                            |                                                                                                                 |
|--------------------------------------------|-----------------------------------------------------------------------------------------------------------------|
| <b>Waste from residues/unused products</b> | Dispose of in accordance with local regulations. Dispose of waste in accordance with environmental legislation. |
| <b>Contaminated packaging</b>              | Do not reuse empty containers.                                                                                  |

### 14. TRANSPORT INFORMATION

|                        |               |
|------------------------|---------------|
| <b><u>DOT</u></b>      | NOT REGULATED |
| <b><u>TDG</u></b>      | NOT REGULATED |
| <b><u>ICAO</u></b>     | NOT REGULATED |
| <b><u>IATA</u></b>     | NOT REGULATED |
| <b><u>IMDG/IMO</u></b> | NOT REGULATED |

### 15. REGULATORY INFORMATION

#### Safety, health and environmental regulations/legislation specific for the substance or mixture

#### International Inventories

|                      |                                                   |

#### US Federal Regulations

#### SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

|                                          |    |
|------------------------------------------|----|
| <b>Acute Health Hazard</b>               | No |
| <b>Chronic Health Hazard</b>             | No |
| <b>Fire Hazard</b>                       | No |
| <b>Sudden release of pressure hazard</b> | No |
| <b>Reactive Hazard</b>                   | No |

**CWA (Clean Water Act)**

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

**CERCLA**

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material

**US State Regulations****California Proposition 65**

This product does not contain any Proposition 65 chemicals.

**U.S. State Right-to-Know Regulations**

This product does not contain any substances above threshold limits that are regulated by state right-to-know.

**U.S. EPA Label Information**

**EPA Pesticide registration number** 5813-113

**EPA Statement**

This chemical is a pesticide product registered by the Environmental Protection Agency and is subject to certain labeling requirements under federal pesticide law. These requirements differ from the classification criteria and hazard information required for safety data sheets, and for workplace labels of non-pesticide chemicals. Following is the hazard information as required on the pesticide label:

**EPA Pesticide label**

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

**16. OTHER INFORMATION**
