Bio-K PLUS

PROBIOTIC SUPPLEMENT

ADVANCED BOWEL SUPPORT[†]

RECOMMENDED DAILY DOSE: Take 1 capsule once daily to help support digestive health. Take 2 capsules once daily to help relieve occasional discomfort, normalize bowel habits and maintain a healthy quality of life score* or take as directed by your qualified healthcare professional.

CAUTION: Recommended for adult use only. Always consult a healthcare professional before using dietary supplements. Consult a healthcare professional before using if you are pregnant or breastfeeding. Do not use if seal is broken. Keep out of reach of children. To preserve the capsule's targeted release properties, do not chew, crush or open the capsules.

STORAGE CONDITIONS: Bacterial count of 50 billion bacteria per capsule guaranteed until the expiration date when stored at room temperature.

*The quality of life score is a model used to measure and assess quality of life in eight validated domains: interference with activity, food avoidance, health worry, social reaction, sexual, relationship, body image, and dysphoria.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
