

Section 1: Identification

Product Name: Everspring Gel Hand Soap

Product Use: For Rinse off Application

Product Code: N/A

UN-Number: N/A

Synonyms: N/A

Item ID: N/A

Name & Address of Manufacturer/Distributor:

Davion Inc.
2 Progress Road,
North Brunswick, NJ – 08902. USA
www.davioninc.com
Telephone Number for Information: (973) 485-0793
Emergency Telephone Number: (844) 932-8466

Intended Use: For external use only.

Uses advised against: No information available.

Section 2: Hazard(s) Identification

Physical Hazards: Not classified.

Health Hazards: Not classified.

OSHA defined Hazards: Not classified.

This is a consumer care product that is safe for consumers when used according to the label directions. Potential hazards that may occur if product is not used according to the consumer label are as follow:

Label Elements:

Hazard Symbol: None

Signal Work: None

Hazard Statement: None

Precautionary Statement:

Eye Contact	No adverse effect under normal conditions.
Skin Contact	No adverse effects due to skin contact are expected.
Ingestion	May cause discomfort if swallowed.
Inhalation	No inhalation hazard under normal conditions.

Prevention: Not applicable.

Response: No specific first aid measure noted.

Storage: Store away from incompatible materials.

Disposal: Dispose of contents in accordance with local/regional/national/international regulations.

Hazard(s) not otherwise classified (HNOC): Not classified.

Section 3: Composition / Information on Ingredients

Chemical Name	CAS	Common Name (If Applicable)	%
---------------	-----	--------------------------------	---

Note: Specific chemical identity and/or exact percentage (concentration) of composition has been withheld as a trade secret.

Section 4: First-Aid Measures

Eye Contact	Rinse immediately with plenty of water for 15 minutes. Seek medical attention.
Skin Contact	In the case of skin irritation or allergies, wash off residue. Please consult a physician.
Ingestion	Seek medical attention immediately.
Inhalation	No inhalation hazard under normal conditions.
Most important symptoms/effects, acute and delayed	May cause eye irritation.
Indication of immediate medical attention and special treatment needed, if necessary: Treat Symptomatically	

Section 5: Fire-Fighting Measures

Suitable extinguishing media	Use water, carbon dioxide, dry chemical or chemical foam.
Extinguishing media which must not be used for safety reasons	None
Special Protective Equipment for firefighters	Wear self-contained breathing apparatus for fire-fighting if required.
Specific Methods	None

Section 6: Accidental Release Measure

Personal precautions	Ensure adequate ventilation.
Environmental precautions	None.
Cleanup procedure	Sweep up. Place in a compatible labeled waste container for disposal in accordance with applicable local, state and federal regulations.

Section 7: Handling and Storage

Handling Precautions	None
Storage Requirement	Store under normal conditions. Store in dry place.
Incompatible Materials	Oxidizing materials.

Section 8: Exposure Controls / Personal Protection

Control Parameters: Exposure Guidelines	Exposure guidelines are not relevant when product is used as intended in a household setting.
OSHA Permissible Exposure Limits	N/A
Engineering Control	Ensure adequate ventilation. Local exhaust is recommended if possible when manufacturing the product.
Personal Protective Equipment (PPE)	Hand gloves, eye and face protection and respiratory protection is recommended when manufacturing the product.
Other protective clothing or equipment	Skin protection is recommended when manufacturing the product.
Work/Hygienic Practices	Keep containers close when not in use. Standard safe working and hygienic practices.

Section 9: Physical and Chemical Properties

Appearance, Color & Odor	Clear flowable liquid with characteristic odor.		
pH	5 – 7	Viscosity	1000 – 4000 cps
Specific Gravity	N/A	Melting Point	N/A
Boiling Point	N/A	Freezing Point	N/A
Vapor Density (Air = 1)	N/A	Evaporation Rate (Butyl Acetate = 1)	N/A
Physical State	Liquid	Vapor Pressure	N/A
Flash point	>93°C	Relative Density	N/A
Odor Threshold	N/A	Partial Coefficient	N/A
Decomposition Temperature	N/A	Flammability/Explosive limits	N/A
Auto ignition Temperature	N/A	Solubility in Water	Soluble

Section 10: Stability and Reactivity

Reactivity	None under normal use conditions.		
Stability	Unstable	N/A	Conditions to Avoid

	Stable	X	Dust may form explosive mixture in air.
Incompatibility (Materials to Avoid)			
Oxidizing agents.			
Hazardous Decomposition or Byproducts			
Carbon Dioxide and Carbon Monoxide			
Hazardous Polymerization	May Occur	N/A	Conditions to Avoid
	Will Not Occur	X	N/A

Section 11: Toxicological Information

Acute Toxicity:

Eye Contact	Not Available
Skin Contact	Not Available
Ingestion	Not Available
Inhalation	Not Available

Carcinogenicity:

National Toxicology Program (NTP) Report on Carcinogens	No
A potential carcinogen in the International Agency for Research on Cancer (IARC) Monographs	No
A potential carcinogen by OSHA	No

Symptoms associated with lowest to the most severe exposure:

Skin corrosion/irritation: No known corrosive effects. May cause irritation
 Serious eye damage/eye: No known effect
 Skin sensitization: No known effect
 Respiratory sensitization: No known effect
 Acute toxicity: No known effect

Section 12: Ecological Information (non-mandatory)

Eco Toxicity Effects	No information available.
Aquatic Toxicity Effects	No information available.
Persistence and degradability	No information available.
Bioaccumulation	No information available.
Other adverse effects	No information available.

Section 13: Disposal Consideration (non-mandatory)

Waste disposal must be in accordance with appropriate US, Federal, State and International regulations. This product, if unaltered by use, may be disposed of by treatment at a permitted facility or as advised by your local hazardous waste regulatory authority.

Section 14: Transportation Information (non-mandatory)

Domestic	Not regulated
International Air	Not regulated
International Vessel	Not regulated

Section 15: Regulatory Information (non-mandatory)

U.S. Federal Regulatory Information	The product follows all federal requirements. All ingredients of this product are listed or are excluded from listing on the U.S. Toxic Substances Act (TSCA) Chemical Substance Inventory.
U.S. State Regulatory Information	The product follows all state requirements. The product is not subject to the reporting requirements under California's Proposition 65.
Other International Regulatory Information	The product follows all international requirements.

Section 16: Other Information

Disclaimer:

The information and recommendations contained in the Safety Data Sheet (SDS) are supplied pursuant to 29 CFR 1910.1200 of the Occupational Safety and Health Standards Hazard Communication Rule. The information and recommendations set forth herein are presented in good faith and believed to be correct as of this date hereof.

Davion, however, makes no representation as to the completeness or accuracy thereof, and information is supplied upon the express condition that the persons receiving the information will be required to make their own determination as to its suitability for their purposes prior to use. In no event Davion will be responsible for any damages of any nature whatsoever resulting from the use of, reliance upon, or the misuse of this information. User assumes all risk of use, storage and handling of the product in compliance with applicable federal, state and local laws and regulations.

No representations or warranties, either expressed or implied, of merchantability, fitness for a particular purpose, or any other nature, are made by Davion hereunder with respect to information or the product to which the information refers. The information as supplied herein is simply to be informative and intended solely to alert the user of the substance which is the subject matter of this SDS. The ultimate compliance with federal, state or local regulations concerning the use of this compound, or compliance with respect to product liability, rests solely upon the purchaser thereof.

This information relates to the material designated and may not be valid for such material used in combination with any other materials nor in any process.
