#### The Just Ingredients Difference™

Made with 3 organic adaptogens.

Added lipids to support the brain-adrenal connection.

Research-backed potency.

#### Formulated with Purpose. Ingredients That Work Together.

**Ashwagandha:** An adaptogen that helps maintain healthy cortisol levels.\*

**Rhodiola:** An adaptogen that supports energy and resilience under stress.\*

**Phosphatidylserine:** A phospholipid that protects brain cells to support memory and focus.\*
