SUGGESTED USE

Age 30-39 — 1 capsule per day
Age 40-49 — 2 capsules per day
Age 50+ — 3 capsules a day

Caution: Consult your physician before use if you are pregnant, nursing, have a medical condition, or are taking any prescription medications.
For adults 18 years and older.
Keep out of reach of children.

Why do I need an advanced NAD booster?
NAD levels naturally decline with age, reducing cellular energy, slowing repair, and weakening the body's defenses. This formula combines Nicotinamide Riboside, CoQ10 Phytosome®, and Liposomal Resveratrol to support NAD production, reinforce cellular health, and promote active aging.*
Phytosome and Liposomal technology enhances absorption and protects key ingredients, allowing them to reach the cells more efficiently and deliver optimized results.*
