

## SV LABS

# Safety Data Sheet Dry Hand Cream without Retinol

---

## SECTION 1: Identification

### 1.1 GHS Product identifier

|                |                                |
|----------------|--------------------------------|
| Product name   | Dry Hand Cream without Retinol |
| Product number | 16073-A                        |
| Brand          | Remedy Skin                    |

### 1.3 Recommended use of the chemical and restrictions on use

Hand Cream

### 1.4 Supplier's details

|           |                                      |
|-----------|--------------------------------------|
| Name      | SV Labs                              |
| Address   | 296 Orenda Rd<br>Brampton CA L6T 5S3 |
| Telephone | (905) 456-8888                       |
| email     | info@svlabs.com                      |

---

## SECTION 2: Hazard identification

### General hazard statement

"Consumer Products", as defined by the US Consumer Product Safety Act and which are used as intended (typical consumer duration and frequency), are exempt from the OSHA Hazard Communication Standard (29 CFR 1910.1200). This SDS is being provided as a courtesy to help assist in the safe handling and proper use of the product, including handling in bulk quantities in a workplace setting.

### 2.1 Classification of the substance or mixture

#### GHS classification in accordance with: OSHA (29 CFR 1910.1200, 2024)

Not a hazardous substance or mixture.

### 2.2 GHS label elements, including precautionary statements

Not a hazardous substance or mixture.

### 2.3 Other hazards which do not result in classification

**Safety Data Sheet**  
**Dry Hand Cream without Retinol**

Not a hazardous substance or mixture.

**SECTION 3: Composition/information on ingredients**

**3.2**

| CAS No.     | INCI Name                                                       |
|-------------|-----------------------------------------------------------------|
| 7732-18-5   | Water/Aqua/Eau                                                  |

## SECTION 4: First-aid measures

### 4.1 Description of necessary first-aid measures

|                         |                                                                                                                                                                     |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| General advice          | In case of accident or if you feel unwell, seek medical advice immediately (show the label or SDS where possible).                                                  |
| If inhaled              | May cause respiratory irritation. Remove to fresh air and promote deep breathing. Get medical attention if effects persist.                                         |
| In case of skin contact | Wash with plenty of water. Get medical attention if irritation develops or persists. Take off contaminated clothing and wash it before reuse.                       |
| In case of eye contact  | Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If irritation persists, get medical attention. |

# Safety Data Sheet

## Dry Hand Cream without Retinol

If swallowed

Call a poison center or doctor if you feel unwell. If vomiting occurs naturally, have victim lean forward to reduce the risk of aspiration. Do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person.

### 4.2 Most important symptoms/effects, acute and delayed

The most important known symptoms and effects are described in the labelling (see section 2) and/or in section 11.

### 4.3 Indication of immediate medical attention and special treatment needed, if necessary

Treat symptomatically and supportively.

---

## SECTION 5: Fire-fighting measures

### 5.1 Suitable extinguishing media

Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

### 5.2 Specific hazards arising from the chemical

Carbon oxides

### 5.3 Special protective actions for fire-fighters

Wear self-contained breathing apparatus for firefighting if necessary.

#### Further information

Use water spray to cool unopened containers.

---

## SECTION 6: Accidental release measures

### 6.1 Personal precautions, protective equipment and emergency procedures

Not normally required when cleaning up small spills. Surfaces can be slippery, especially if water is used to clean up a spill.

When handling in bulk quantities, use personal protective equipment as described in Section 8. Surfaces can be slippery, especially if water is used to clean up a spill. Do not get in eyes, on skin, or on clothing. Ensure adequate ventilation. Evacuate personnel to safe areas.

### 6.2 Environmental precautions

Not required for normal use. Do not discharge product into natural waters without pre-treatment or adequate dilution.

### 6.3 Methods and materials for containment and cleaning up

Soak up with inert absorbent material and dispose of in accordance with applicable local or national requirements. Keep in suitable, closed containers for disposal.

#### Reference to other sections

For disposal see section 13.

---

## SECTION 7: Handling and storage

### 7.1 Precautions for safe handling

Avoid contact with skin and eyes. Do not eat, drink or smoke while handling. Wash hands with soap and water after handling. Keep out of the reach of children. For precautions see section 2.

### 7.2 Conditions for safe storage, including any incompatibilities

# Safety Data Sheet

## Dry Hand Cream without Retinol

Keep container tightly closed in a dry and well-ventilated place. Containers which are opened must be carefully resealed and kept upright to prevent leakage.

To preserve the product, keep containers closed and in dry places. Keep out of reach of children.

### Specific end use(s)

Apart from the uses mentioned in section 1 no other specific uses are stipulated.

---

## SECTION 8: Exposure controls/personal protection

### 8.1 Control parameters

#### CAS: 1310-73-2

Sodium hydroxide

Cal/OSHA (US): (C) 2 mg/m<sup>3</sup> PEL inhalation; NIOSH (US): (C) 2 mg/m<sup>3</sup> REL inhalation;  
US/OSHA (US): 2 mg/m<sup>3</sup> PEL inhalation

### 8.2 Appropriate engineering controls

None required with normal household use. When handling in bulk quantities, use ventilation adequate to keep exposures below recommended exposure limits.

### 8.3 Individual protection measures, such as personal protective equipment (PPE)

#### Eye/face protection

Normal consumer use: None required.

When handling in bulk quantities: Use appropriate safety goggles.

#### Skin protection

Normal consumer use: None required.

When handling in bulk quantities: Use protective gloves.

#### Body protection

Normal consumer use: None required.

When handling in bulk quantities: Wear protective clothing.

#### Respiratory protection

Normal consumer use: None required.

When handling in bulk quantities: Use approved respiratory protection.

#### Thermal hazards

No data available.

#### Environmental exposure controls

No data available.

---

## SECTION 9: Physical and chemical properties

### Basic physical and chemical properties

Physical state

Liquid

Appearance

Viscous Opaque Cream

Color

White to Off-White

# Safety Data Sheet

## Dry Hand Cream without Retinol

|                                                          |                    |
|----------------------------------------------------------|--------------------|
| Odor                                                     | Characteristic     |
| Odor threshold                                           | No data available. |
| Melting point/freezing point                             | No data available. |
| Boiling point or initial boiling point and boiling range | No data available. |
| Flammability                                             | No data available. |
| Lower and upper explosion limit/flammability limit       | No data available. |
| Flash point                                              | No data available. |
| Auto-ignition temperature                                | No data available. |
| Decomposition temperature                                | No data available. |
| pH                                                       | 5.00 - 6.00        |
| Kinematic viscosity                                      | 60,000-100,000 cps |
| Solubility                                               | No data available. |
| Partition coefficient n-octanol/water (log value)        | No data available. |
| Vapor pressure                                           | No data available. |
| Density and/or relative density                          | 0.9500-0.9900      |
| Relative vapor density                                   | No data available. |
| Particle characteristics                                 | No data available. |

### Further safety characteristics (supplemental)

No data available.

---

## SECTION 10: Stability and reactivity

### 10.1 Reactivity

Contact with incompatible materials. Sources of ignition. Exposure to heat.

Stable under recommended storage conditions.

### 10.2 Chemical stability

Stable under normal storage conditions.

### 10.3 Possibility of hazardous reactions

No dangerous reaction known under conditions of normal use.

### 10.4 Conditions to avoid

None known.

### 10.5 Incompatible materials

Strong oxidizing agents, strong acids, strong bases, acid chlorides, acid anhydrides, chloroformates, reducing agents, heavy metal salts, nitrates, amines, amphoteric metals, and weak-acid gases.

### 10.6 Hazardous decomposition products

No data available.

---

## SECTION 11: Toxicological information

### Information on toxicological effects

#### Acute toxicity

Likely Routes of Exposure: Eye contact. Skin contact. Inhalation. Ingestion.

Acute and delayed symptoms and effects from inhalation, skin and eye contact and ingestion are listed in Section 4.

Citric acid

LD50 Oral - Rat - 5,400 mg/kg

# Safety Data Sheet

## Dry Hand Cream without Retinol

LD50 Skin - Rabbit - > 2,000 mg/kg

Phenoxyethanol

LD50 Oral - Rat - 1,850 mg/kg

LD50 Skin - Rat - 14,422 mg/kg

Hydroxyacetic acid

LD50 Oral - Rat - 2,040 mg/kg

### **Skin corrosion/irritation**

No data available.

### **Serious eye damage/irritation**

No data available.

### **Respiratory or skin sensitization**

No data available.

### **Germ cell mutagenicity**

No data available.

### **Carcinogenicity**

No data available.

### **Reproductive toxicity**

No data available.

### **Summary of evaluation of the CMR properties**

No data available.

### **Specific target organ toxicity (STOT) - single exposure**

No data available.

### **Specific target organ toxicity (STOT) - repeated exposure**

No data available.

### **Aspiration hazard**

No data available.

### **Additional information**

No data available.

---

## **SECTION 12: Ecological information**

### **Toxicity**

No data available on product.

### **Persistence and degradability**

No data available on product.

### **Bioaccumulative potential**

No data available on product.

### **Mobility in soil**

No data available on product.

### **Results of PBT and vPvB assessment**

No data available on product.

# Safety Data Sheet

## Dry Hand Cream without Retinol

### Endocrine disrupting properties

No data available on product.

### Other adverse effects

No data available on product.

---

## SECTION 13: Disposal considerations

### Disposal methods

#### Product disposal

Disposal should be in accordance with applicable Federal, State and local laws and regulations. Local regulations may be more stringent than State or Federal requirements.

#### Packaging disposal

Dispose of as unused product.

---

## SECTION 14: Transport information

### DOT (US)

Not dangerous goods

### IMDG

Not dangerous goods

### IATA

Not dangerous goods

---

## SECTION 15: Regulatory information

### 15.1 Safety, health and environmental regulations specific for the product in question

#### California Prop. 65 Components

This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

#### Massachusetts Right To Know Components (105 CMR 670)

Chemical name: Glycerin

CAS number: 56-81-5

Chemical name: Sodium hydroxide

CAS number: 1310-73-2

#### Massachusetts Toxic Use Reduction Act (TURA) list

Chemical name: Sodium hydroxide

CAS number: 1310-73-2

#### New Jersey Right To Know Components

Common name: Glycerin

CAS number: 56-81-5

Common name: Sodium hydroxide

CAS number: 1310-73-2

#### Pennsylvania Right To Know Components

Chemical name: Glycerin

CAS number: 56-81-5

Chemical name: Sodium hydroxide

# Safety Data Sheet

## Dry Hand Cream without Retinol

CAS number: 1310-73-2

### SARA 302 Components

No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

### SARA 311/312 Hazards

Fire Hazard, Acute Health Hazard, Chronic Health Hazard.

### SARA 313 Components

Phenoxyethanol

CAS-No. 122-99-6

### US EPA TSCA public inventory

Chemical name: Glycerin

CAS number: 56-81-5

Chemical name: Citric acid

CAS number: 77-92-9

Chemical name: Glycolic acid

CAS number: 79-14-1

Chemical name: Sodium hydroxide

CAS number: 1310-73-2

Chemical name: Lactic acid

CAS number: 79-33-4

Chemical name: Phenoxyethanol

CAS number: 122-99-6

Chemical name: Isododecane

CAS number: 13475-82-6
