Honey Pot™

Menthyl Lactate | 59259-38-0 | 0.122%

Houttuynia Cordata Extract | 164288-50-0 | 0.063%

Rosa Damascena Flower Oil | 90106-38-0 | 0.126%

This product is a finished absorbent article. None of the components are present at concentrations requiring hazard classification under OSHA 29 CFR 1910.1200.

4. First-Aid Measures

Inhalation: Not applicable under normal use.

Skin Contact: Product is intended for skin contact. Discontinue use if irritation occurs.

Eye Contact: If contact occurs, rinse thoroughly with water.

Ingestion: Not intended for ingestion. Seek medical attention if swallowed.

5. Fire-Fighting Measures

Suitable Extinguishing Media: Water spray, foam, dry chemical, CO₂

Specific Hazards: Combustible solid material.

Hazardous Combustion Products: Carbon monoxide, carbon dioxide.

Protective Equipment: Standard firefighting protective equipment.

6. Accidental Release Measures

No special emergency procedures required.

Collect product and dispose of according to local regulations.

7. Handling and Storage

Store in a cool, dry place.

Avoid excessive heat or open flame.

Keep packaging intact until use.

8. Exposure Controls / Personal Protection

No occupational exposure limits established for finished product.

No special personal protective equipment required under normal consumer use.

9. Physical and Chemical Properties

Appearance: White absorbent pad

Odor: Mild herbal/menthol scent

Physical State: Solid

Solubility: Insoluble (finished article)

Flash Point: Not applicable

pH: Not applicable (solid article)

Honey Pot™

10. Stability and Reactivity

Stable under normal conditions.
No hazardous reactions expected.
Avoid open flame and excessive heat.

11. Toxicological Information

Not classified as toxic under OSHA criteria.
Contains menthol and essential oils at low concentrations.
Use as directed. Discontinue if irritation occurs.

12. Ecological Information

No known environmental hazards.
Dispose properly. Do not flush unless labeling indicates flushable.

13. Disposal Considerations

Dispose in accordance with local, state, and federal regulations.
Do not flush unless specified on product labeling.

14. Transport Information

Not regulated as hazardous material for transport (DOT, IATA, IMDG).

15. Regulatory Information

Not classified as hazardous under OSHA 29 CFR 1910.1200.
All listed ingredients are present below hazardous classification thresholds.

16. Other Information

SDS prepared for retail compliance purposes.
Revision Date: February 26, 2026
