NOTE: All colors listed in the Match Colors section of this document can be printed as a solid spot color or simulated using process or extended gamut color inks. *These colors are still required to match to the published spot color L*a*b* values within the DeltaE tolerances as outlined on the PQM program website (gmprime.com/cvs). Additionally, a Spot Color Simulation Patch for every color must be added to the press sheet to allow for color measurement. Refer to the published Control Target Guidelines on the PQM program website (gmprime.com/cvs). Vendor is responsible for proper separations per their printing press profile including trapping, bleeds and minimum tolerance adjustments. REPLACE UPC WITH PROPER BWR PER YOUR SPECS, ENSURE UPC SCANS Supply PDF for content proof review and with its approval supply 2 subsequent contract proofs per project schedule.

Southern Graphic Systems LLC (SGS&CO) dba Marks Design has made every effort to comply with Health Canada, CPLA, CPLR, CFIA, FDR, and FDA rules and guidelines in the production of this artwork. To the best of our knowledge and experience, this artwork adheres to and is compliant with rules governing product-labeling requirements as per Canadian legislation and/or USA legislation. In the event of an inadvertent non-compliance issue that results in the re-work of existing artwork, SGS&CO/Marks Design will, in cooperation with the client, make every effort to rectify the problem, and produce replacement artwork files. The liability of SGS&CO/Marks Design shall be limited to correcting its own product. SGS&CO/Marks Design will not assume any legal or financial responsibility or liability for the contents of any packaging in the case of said contents being unusable because of Health Canada, CPLA, CPLR, CFIA, FDR, and FDA packaging non-compliance. The supplied artwork should be approved by the recipient for all content, layout and copy accuracy. This is a mechanical artwork file only. Color rotation to be confirmed by printer or prepress supplier. The UPC code is FPO and should be replaced by your printer or prepress supplier. Please ensure that your prepress supplier prepares the file for printing. Refer to Pantone and process matchbooks for reflection of accurate color, as this is not a color proof. Should the supplied artwork be found to be incorrect, please contact your representative immediately. Copyright © 2025
