What in the world is "clear protein"?

The easy answer:
Protein that drinks like juice. You're welcome.

The nerdy answer:
Our clear protein is a whey protein isolate that has gone through a proprietary ultra-filtration process—changing the texture from thick and creamy to lightweight and juicy. Mmmm... magic.

Directions:

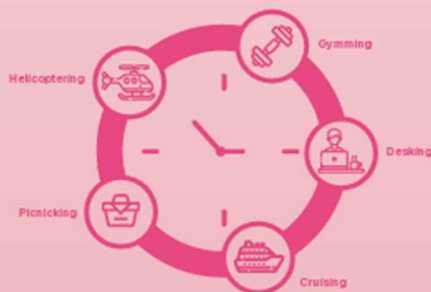

Shake, froth, or blend 1 scoop with 14-16 fl. ounces of water. Add ice and enjoy throughout the day as part of a balanced diet.

If pregnant or nursing, consult a health care professional before use. Not for use by infants or children. Not intended for weight loss.

KEEP OUT OF REACH OF CHILDREN. DO NOT USE IF PACKAGING IS OPENED, RIPPED, OR OTHERWISE DAMAGED. STORE IN A COOL, DRY PLACE.

Made in the USA using globally-sourced ingredients and components.

Everyday, all-day protein.
