What in the world is "clear protein"?

### The easy answer:

Protein that drinks like juice. You're welcome.

### The nerdy answer:

Our clear protein is a whey protein isolate that has gone through a proprietary ultra-filtration process—changing the texture from thick and creamy to lightweight and juicy. Mmmm...magic.

### Directions:

Shake, froth, or blend 1 packet with 14-16 fl. ounces of water. Add ice and enjoy throughout the day as part of a balanced diet.

If pregnant or nursing, consult a healthcare professional before use. Not for use by infants or children. Not intended for weight loss.

**KEEP OUT OF REACH OF CHILDREN. DO NOT USE IF PACKAGING IS OPENED, RIPPED, OR OTHERWISE DAMAGED. STORE IN A COOL, DRY PLACE.**

Made in the USA using globally-sourced ingredients and components.
