Inhalation	Remove person to fresh air. If signs/symptoms continue, get medical attention
Symptoms may not appear immediately. In case of accident or if you feel unwell, seek medical advice immediately	

Section 5. Fire Fighting Measures

Flash Point	400 °F
Extinguishing media	Carbon Dioxide (CO2), Dry Chemical or foam.
Unsuitable extinguishing media	Do not use water jet
Unusual fire and explosion hazard	None
Protective equipment	As in any fire, wear self contained breathing apparatus pressure demand, MSHA/NIOSH (approved or equivalent and full protective gear.)

Section 6. Accidental Release Measures

Personal precautions	None typically required
Environmental precautions	Do not discharge into aquatic environment
Method for containment/ Clean-Up	Sweep or pick up. Dispose of properly.

Section 7. Handling and Storage

Handling	Keep away from heat/open flames/ hot surfaces; product may melt
Storage	Store in a cool place

Section 8. Exposure Controls and Personal Protection

This is a consumer product that is safe to use under normal and reasonably foreseeable use. Engineering controls or personal protective equipment are not required for consumer use.

Exposure Controls:	None requires under normal use scenario
Personal Protection	None required

Section 9. Physical and Chemical Properties

Physical Appearance	Fragranced Wax Candle	Flashpoint	204 °C / 400 °F
Color	Varies	Vapor Pressure	Not determined
Odor	Varies	(mm Hg @ 20C)	
pH	NA	Relative Density	~1
Melting Point / Freezing Point	54 °C / 130 °F	Flashpoint	204 °C / 400 °F
		Solubility in Water	No

Section 10. Stability and Reactivity

Stability	Stable under normal storage, handling, use and transportation.
Incompatible products	Oxidizing Agents
Conditions to Avoid	Heat, flames and sparks. Extremes of temperature and direct sunlight.
Hazardous Decomposition Products	Under conditions giving incomplete combustion, hazardous gases produced may consist of CO, CO ₂ and unburned hydrocarbons (smoke)
Hazardous Polymerization	Will not occur under normal circumstances.

Section 11. Toxicological Information

This product has not been subjected to ecological testing. It has been blended from materials with known toxicological properties. Based on the composition of this product, the following is an assessment of the toxicological properties of this material:

Ingestion:	Not considered toxic by ingestion. May produce stomach upset, vomiting and other gastrointestinal symptoms
Dermal:	Not toxic by dermal route. Fragrance ingredients may irritate skin after prolonged contact.
Eye:	Direct contact with the eye may cause mechanical irritation.
Inhalation:	Fragrance released during use may cause minor discomfort in sensitive individuals.

Section 12. Ecological Information

This product has not been subjected to toxicological testing. It has been blended from materials with known ecotoxicological properties. Based on the composition of this product, the following is an assessment of the ecotoxicological properties of this material:

Ecological problems are not anticipated under normal use conditions.

Section 13. Disposal Considerations

Dispose	Discharge into the environment must be avoided. Keep out of sewers, drainage areas, or waterways. Dispose according to local, state and federal regulations.
----------------	---

Section 14. Transport Information

Not classified as dangerous good in meaning of transport.			>400 kg 1993 Combustible liquid	
Shipment	Identification Number	Proper Shipping Name	Hazardous Classification	Packaging Group
US DOT	Not Regulated			
IATA (air)	Not Regulated			
IMDG (vessel)	Not Regulated			

Section 15. Regulatory Information

All materials used in this formulation are contained on the following lists:

Toxic Substances Control Act (TSCA)

Domestic Substances List (DSL)- Canada

European Inventory of Existing Chemical Substances (EINECS)

California Prop 65 This product is not subject to warning labeling

RIFM / IFRA Fragrance mixture complies.

Section 16. Other Information

The information documented in this SDS has been obtained from current and reliable sources, however it is provided without any warranty, expressed or implied, about its correctness or accuracy. Since the use, handling, storage and disposal of this is beyond the control of CURiO, it becomes the responsibility of the user to determine safe conditions for the use of this product and to assume liability for loss, damage, or expense resulting from the product's improper use. Federal, State, and Municipal government agencies may have specific regulations concerning the use, storage, handling, transportations, and disposal of this product which may not be encompassed in this SDS. The user should review such regulations and comply accordingly.
