For large quantities (bulk handling): use appropriate personal protective equipment to guard against splash hazards and skin contact. Avoid prolonged contact with skin, follow safe handling practices.

9. Physical and Chemical Properties

Physical State: viscous paste

Appearance, Color & Odor: off white, strawberry

pH: 7.0 - 9.0

Viscosity: 200,000 - 1,000,000cps

Specific Gravity: 1.40 - 1.50

Flashpoint: Not Applicable

10. Stability and Reactivity

Conditions to avoid: None known

Other recommendations: None

11. Toxicological Information

Product is a cosmetic that is safe for users when used under normal circumstances as directed.

Chronic Effects: None known. Not expected to have chronic effects.

Target Organs: None known. No health effects expected.

Carcinogenic Effects: None known. Product not expected to be carcinogenic.

12. Ecological Information

Product and ingredient are expected to be safe for the environment at concentrations predicted under normal use.

13. Disposal Information

Disposal should be in accordance with all applicable Federal, State/Provincial and Local regulations

14. Transport Information

Product is Non-hazardous. Not regulated by surface, air or water transportation.

For Non Bulk Shipments Only: Land (US DOT)

UN/ID#: None

Proper Shipping Name: Customer Commodity

Hazard Class: None
Packaging Group: None
Labels: None

15. Regulatory Information

Product is regulated under the Federal Food, Drug and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature
