

SAFETY DATA SHEET

Section 1: Product + Company Identification

Product Name: Mad Rabbit Balm Coconut Vanilla

Chemical Name/Synonyms: None | Mixture, Topical Skin Care Product

Company: Distributed by 683 Imperial St PMB 6 Los Angeles California (CA) 90021

In emergency call 911.

For information about this SDS, use this department contact: 323-457-8763 or help@madrabbit.com

Section 2: Hazard(s) Identification

This is a personal care product that is safe under intended and reasonably foreseeable use

NON HAZARDOUS MATERIAL

Hazard Classification: Non- Hazardous

Signal Word(s): None Identified

Hazard Statements: None Identified

Pictograms: None Identified

Precautionary Statements: None Identified

Description of other hazards: None Identified

Section 3: Composition/ Information on Ingredients

Chemical Name	CAS#	Concentration
Butyrospermum Parkii (Shea) Butter	194043-92-0	Proprietary
Calendula Officinalis Flower Oil	70892-20-5	Proprietary
Cocos Nucifera (Coconut) Oil	8001-31-8	Proprietary
Copernicia Cerifera (Carnauba) Wax	8015-86-9	Proprietary
Glycine Soja (Soybean) Oil	8001-22-7	Proprietary
Helianthus Annuus (Sunflower) Oil	8001-21-6	Proprietary
Prunus Amygdalus Dulcis (Sweet Almond) Oil	90320-37-9	Proprietary
Theobroma Cacao (Cocoa) Seed Butter	8002-31-1	Proprietary
Tocopherol	10191-41-0	Proprietary
Vanilla Planifolia Fruit Extract	8024-06-04	Proprietary

Section 4: First-Aid Measures

After skin contact: If a reaction occurs, discontinue use of the product. Rinse irritated area with soap and water. If discomfort persists, contact a physician.

After eye contact: Rinse with pure water, flush for 10-15 minutes. If discomfort persists, contact a physician.

After inhalation: Remove from exposure site to fresh air

After ingestion: In case of accidental ingestion, drink 1-2 glasses of water or milk, contact a physician. If appreciable quantities are swallowed, do not induce vomiting, seek emergency medical advice.

Section 5: Fire-Fighting Measures

Suitable extinguishing agents: Water spray, chemical foam, dry chemical or, carbon dioxide

Special protective equipment for firefighters: None

Explosion Hazards: None

Section 6: Accidental Release Measures

Personal precautions: None

Measures for environmental protection: None

Measures for cleaning/collecting: Pick up and place in a suitable container for disposal. Wash the contaminated area with detergent and hot water. Use general waste disposal methods in compliance with Federal, State and Local regulations.

Section 7: Handling and Storage

Handling: Normal handling consistent with good manufacturing practices.

Storage: 25C , no unusual storage requirements. Avoid extreme temperatures and store in a cool, well ventilated area.

Other Recommendations: Do not handle if you are allergic to the product or any of its components. Skin care products may make your skin more sensitive, wear sunscreen during and at least a week after use.

Section 8: Exposure Controls/Personal Protection

General protective and hygienic measures:

Breathing equipment: No specific recommendations

Protection of hands: Not applicable

Eye protection: Not applicable

This is a personal care and/or cosmetic product that is safe for consumers and other users under normal and reasonably foreseen use.

Section 9: Physical and Chemical Properties

Form: Balm, Solid, Anhydrous

Odor: Characteristic

Odor threshold: Not available

pH: Not available

Melting point/melting range: Not available

Boiling point/boiling range: Not available

Flash point: Not available
Evaporation rate: Not available
Flammability: Not available
Upper/lower flammability or explosive limits: Not available
Auto ignition temperature: None
Danger of explosion: None
Vapor pressure: Not available
Vapor density: Not available
Relative density: Not available
Solubility in/Miscibility with water: Not available

Section 10: Stability and Reactivity

Reactivity: Not reactive under any known conditions
Chemical stability: Stable under normal RT conditions
Conditions to avoid: None
Incompatible materials: None known
Hazardous decomposition products: None known

Section 11: Toxicological Information

Acute toxicity: None known
Potential routes of exposure/potential health effects
Skin: Not expected to be irritating or sensitizing when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient
Eye: Avoid contact with eyes, although not expected to be irritating to the eye
Inhalation: Not expected to be irritating to the respiratory system
Ingestion: Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.
Carcinogenic effects: None known
Mutagenic effects: None known
Reproductive toxicity: None known
Sensitization: None known
Target organs: None known

This is a personal care product, all ingredients are recognized as cosmetic ingredients and found safe for topical dermatological use by consumers under intended and reasonable foreseeable applications.

Section 12: Ecological Information (non-mandatory)

Ecotoxicity: None known
Mobility: None known
Biodegradation: None known
Bioaccumulation: None known

Dispose of properly, do not let it leak to water systems or nearby environment. The ingredients contained within this product are projected to be safe for the Environment at levels predicted under normal use and accidental spill scenarios. The components used in the packaging of this product comply with conventional solid waste management practices.

Section 13: Disposal Considerations (non-mandatory)

Disposal of this product should be in accordance with local, state and federal regulations.

Section 14: Transport Information (non-mandatory)

- (1) UN Number: Not applicable
- (2) UN Proper shipping name: Not applicable
- (3) Transport Hazard Classes: Non-hazardous
- (4) Packing Group: Non-hazardous
- (5) Environmental Hazards: Non-hazardous

DOT regulations:

- **Hazard class:** Non-hazardous
- **Land transport ADR/RID (cross-border):** Non-hazardous
- **ADR/RID class:** Non-hazardous
- **Maritime transport IMDG:** Non-hazardous

Air transport ICAO-TI and IATA-DGR: Non-hazardous

- **ICAO/IATA Class:** Non-hazardous

Section 15: Regulatory Information (non-mandatory)

This product described in this SDS is manufactured and labeled in compliance with the Federal Food, Drug and Cosmetic Act and is safe per directions on the product container, box or accompanying literature (where applicable).

This product is regulated as an OTC under FDA (U.S.), HPB (Canada) and Cosmetic Directive (EU).

This product is considered non-hazardous as defined in 29 CFR 1910.1200 (d).

Section 16: Other Information

This SDS is intended to provide useful information and a brief summary of our knowledge and guidance regarding the proper use of this product.

This document has been prepared using data from sources considered technically reliable. It does not constitute a warranty, expressed or implied as to the information contained within. Actual conditions of use, handling, storage or disposal are beyond our control once the product has been sold. It is not intended to be an all-inclusive document on worldwide hazard communication regulations. User is responsible to evaluate all available information when using this product for any particular use and to comply with local, state and federal regulations.

SDS date of preparation/update: April 2026
