

WHY USE ALIGN WOMEN'S DUAL ACTION PROBIOTIC?

A woman's microbiome is made up of trillions of bacteria that play an important role in your whole body health, even vaginal health. Similar to the gut, vaginal health relies on a balance of good bacteria.

You can support them both
with Align Women's Dual Action Probiotic.

Align is the #1 DOCTOR AND GASTROENTEROLOGIST
RECOMMENDED PROBIOTIC brand*.
Plus, it's backed by over 20 years of scientific research.

DIRECTIONS

Take one capsule per day. For best results we recommend
you store Align below 86°F (30°C) in the original container.
