

# SAFETY DATA SHEET

## SECTION 1: Identification

- **Finished Product Name/Code:** Fragrance Free Soothing Body Wash
- **Recommended Use:** Body wash
- **Manufacturer's Name:** Noodle & Boo, LLC  
100 Cooper Court, Suite B  
Los Gatos, CA 95032  
(408)377-0408  
**Contact:** Omolade Opere
- **In case of medical emergencies, please call 911, contact your local poison control center, or call the American Association of Poison Control Centers at (800) 222-1222**

## SECTION 2: Hazards Identification

### Hazard Classification & Statement:

This is a personal care or cosmetic product that is non-hazardous and safe for consumers and other users under intended and reasonably foreseeable use. This product does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

Signal word: N/A

Hazard Statement: N/A

Pictogram N/A

### POTENTIAL HEALTH EFFECTS:

- **Eye:**

Not expected to be irritating to the eyes when used as intended.

- **Skin:**

Not expected to be sensitizing, photo allergenic, or phototoxic when used as intended.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Non-volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting, and diarrhea.

- **Chronic Health Effects:**

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use.

- **Signs/Symptoms:**

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use.

- **Target Organs:** No data available.

- **Aggravation of Pre-Existing:** None generally recognized.

### SECTION 3: Composition/Information on Ingredients

#### Complete Ingredient List:

Water, PEG-80 sorbitan laurate, Cocamidopropyl hydroxysultaine, Sodium cocoyl isethionate, Methyl gluceth-20, PEG-150 distearate, Allantoin, Panthenol, Sodium dehydroacetate, Phenoxyethanol, Tocopheryl acetate, Citric acid, Disodium EDTA, Ethylhexylglycerin

CAS#s and ingredient percentages are proprietary information.

This product does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

### SECTION 4: First Aid Measures

#### ● Eye:

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort persists, contact a physician.

#### ● Skin Problems.

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

#### ● Inhalation:

If respiratory discomfort occurs, remove individual to fresh air.

#### ● Ingestion:

Accidental ingestion of product may necessitate medical attention. Contact local poison control center or physician immediately

#### ● Information for Doctor:

No information available.

### SECTION 5: Fire Fighting Measures

#### ● Extinguishing Media:

*Suitable extinguishing agents:* Use chemical foam, dry chemical, carbon dioxide, or water

*Unsuitable media:* No applicable information has been found

● **Specific Hazards arising from the substance or mixture:** Thermal degradation may produce oxides of carbon and/or nitrogen. Hydrocarbons and/or derivatives.

#### ● Fire Fighting Instructions:

Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released.

## SECTION 6: Accidental Release Measures & Disposal Procedures

- **Procedure for Spill/Leak Clean-up:**

**For Household Settings:** Remove excess product and wash the area using dilute detergent. Keep out of reach of children.

**For Non-Household Settings:** Use safety glasses or goggles if splash hazards exist; use gloves and other protective clothing to prevent skin contact. Product is water dispersible. Avoid strong acids, alkalis and oxidizing agents.

**Reference to other sections:**

See Section 7 for information on safe handling.

See Section 8 for information on personal protection equipment.

See Section 13 for information on disposal.

## SECTION 7: Handling & Storage

- **Precautions for Safe Handling:**

**For Household Settings:** Keep away from children. Store in cool area.

**For Non-Household Settings:** No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area. Avoid extremes of temperature.

- **Specific End Use(s):** No further relevant information available.

## SECTION 8: Exposure Controls & Personal Protection

- **Exposure Controls:**

**For Household Settings:** This is a personal care or cosmetic product that is safe for consumers and other users under normal and reasonably foreseen use. Keep away from children and foodstuffs. Avoid contact with eyes.

**For Non-Household Settings:** Use the following protective equipment for large quantities of the material. Always follow good hygienic work practices. Avoid prolonged contact with skin & clothing. No further information on exposure controls available.

**Protective Gloves:** Any type of protective glove material.

**Eye Protection:** Safety Glasses or goggles

## SECTION 9: Physical & Chemical Properties

<ul style="list-style-type: none"><li>● <b>Color, Odor, &amp; Appearance:</b> Clear to hazy, low viscosity, ivory to yellow, scented foaming liquid</li></ul>	<ul style="list-style-type: none"><li>● <b>Melting Point:</b> Not determined</li><li>● <b>Boiling Point/Range:</b> 200- 212 ° F (93 – 100 ° C)</li></ul>
<ul style="list-style-type: none"><li>● <b>Physical State:</b> Foaming liquid.</li></ul>	<ul style="list-style-type: none"><li>● <b>Solubility in Water:</b> Easily dispersible</li></ul>
<ul style="list-style-type: none"><li>● <b>pH:</b> 5.0 – 7.0</li></ul>	
<ul style="list-style-type: none"><li>● <b>Flashpoint:</b> Not applicable</li><li>● <b>Ignition Temperature:</b> Not applicable</li><li>● <b>Decomposition Temperature:</b> Not applicable</li><li>● <b>Auto Igniting:</b> Product is not self igniting</li><li>● <b>Danger of Explosion:</b> Product is not explosive.</li></ul>	<ul style="list-style-type: none"><li>● <b>% VOC:</b> Complies with Federal and State regulations for VOC content</li></ul>
<ul style="list-style-type: none"><li>● <b>Vapor Pressure:</b> Not determined</li><li>● <b>Vapor Density:</b> Not determined</li></ul>	<ul style="list-style-type: none"><li>● <b>Density at 25°C (77°F):</b> 0.95-1.10</li></ul>

## SECTION 10: Stability & Reactivity

- **Reactivity:**

**Chemical Stability:** Thermal decomposition to be avoided. No decomposition if used according to directions.

**Possibility of hazardous reactions:** No dangerous reactions known

**Conditions to Avoid:** No further relevant information available.

**Incompatible materials:** Strong acids, alkaline materials, strong oxidizers

**Hazardous decomposition products:** Carbon monoxide and carbon dioxide. Thermal degradation may produce oxides of carbon and/or nitrogen. Hydrocarbons and/or derivatives.

## SECTION 11: Toxicological Information

- **Information on toxicological effects:**

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use.

**Acute Toxicity:** Finished product is not expected to have acute toxicity health effects when used as intended.

**Chronic Toxicity:** Finished product is not expected to have chronic toxicity health effects.

This product does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA. This product is not listed in the NTP report. This product has not been found to be a potential carcinogen by IARC.

## SECTION 12: Ecological Information (Non-mandatory)

• **Ecological Effects:**

**Aquatic toxicity:** No relevant information available

**Persistence and degradability:** No relevant information available

**Bioaccumulative potential:** No relevant information available

**Mobility in soil:** No relevant information available

**Other adverse effects:** No relevant information available

**General notes:** Do not allow large quantities of undiluted product to reach ground water, water course or sewage system.

**SECTION 13: Disposal Considerations (Non-mandatory)**

• **Disposal Methods:** Where possible, recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local, state, and federal regulations.

• **Disposal Considerations:** When disposed as waste, this product is considered non hazardous waste.

**Reference to other sections:**

See Section 8 for information on personal protection equipment.

**SECTION 14: Transport Information (Non-mandatory)**

• **Ground Transportation (DOT):** Non-Hazardous

• **Vessel Transportation (IMDG):** Non-Hazardous

• **Air Transportation (IATA):** Non-Hazardous

• **Marine Pollutant:** No relevant information available

**SECTION 15: Regulatory Information (Non-mandatory)**

This is a personal care or cosmetic product that is non-hazardous and safe for consumers and other users under intended and reasonably foreseeable use. This product does not contain ingredients considered hazardous as defined by OSHA, California Proposition 65, FDA (US), 29 CFR 1910.1200 and/or WHMIS under the HPA.

**SECTION 16: Other Information**

**DISCLAIMER:**

The information in this SDS was obtained from current and reliable sources. However, the data is provided without any warranty, expressed or implied, regarding its correctness or accuracy. Since the conditions for use, handling, storage and disposal of the product are beyond the control of Noodle & Boo, LLC, it is the user's responsibility both to determine safe conditions for the use of this product and to assume liability for loss, injury, damage, or expense arising out of improper use of this product.
