Phone # 1-800-424-9300 (U.S. and Canada), or
Phone # 1-703-527-3887 (for calls originating elsewhere).

SECTION 2: HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW: This is a personal care product that is safe for consumers and other intended and reasonably foreseeable use. Additional information on toxicological endpoints is from the supplier upon request.

Eye Irritation: None

Hazard Statements: None

Hazard Pictograms: None

Signal Word: None

Precautionary Statements: Wash hands thoroughly after handling

Precautionary Statements - Response: IF IN EYES: Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

Precautionary Statements - Storage: None

Precautionary Statements - Disposal: None

Hazards not otherwise classified (HNOC): None

SECTION 3: COMPOSITION/INFORMATION ON INGREDIENTS

Remark: Exact concentrations and the chemical identities of certain components have been withheld as trade secret.

SECTION 4: FIRST AID MEASURES

Eye: Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

Skin Problem: Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact, it is expected to be mild and transient. Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

Inhalation: Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated. If respiratory irritation occurs, remove individual to fresh air.

Ingestion: Product used as intended is not expected to cause gastrointestinal irritation. In case of accidental ingestion, dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting.

NOTE: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5: FIRE-FIGHTING MEASURES

Suitable Extinguishing Media: Use chemical foam, dry chemical, carbon dioxide or water.

Hazardous Combustion Products: No hazardous combustion products are known.

Special Protective Equipments of Fire Fighters: Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives.

SECTION 6: ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures

Personal Precaution: None under normal use conditions.

Advice for emergency responders: Use personal protective equipments as required.

Methods and Materials for containment and cleaning up

Cover with absorbent material and remove to disposal container. Dispose spilled product in accordance with local, state and federal regulations. Spill area may be slippery. Scrub the area with detergent and flush with plenty of water.

SECTION 7: HANDLING AND STORAGE

Precautions for Safe Handling

For Household Settings: No unusual handling requirements.

For Non-Household Settings: Handle in accordance with good industrial hygiene and safety practice.

Conditions for safe storage, including any incompatibilities

For Household Settings: No unusual storage requirements.

For Non-Household Settings: No unusual storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

Other recommendations: None.

SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

For Household Settings: This is a personal care or cosmetic product that is safe for consumers and other users under normal and reasonably foreseen use.

For Non-Household Settings: No unusual storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

Physical State: Slightly Hazy Liquid	Solubility in Water: NE
pH: 4.10 - 5.00	Viscosity: NA
Specific Gravity: 0.9800 - 1.0300	Flashpoint: NA
Melting Point: NA	Boiling Point: NE
% VOC: N/A	

***NA= Not Applicable; NE= Not Evaluated

SECTION 10: STABILITY AND REACTIVITY

Reactivity: None under normal use conditions.

Stability: Stable under normal conditions.

Hazardous Reactions: No applicable information has been found.

Conditions to Avoid: None known based on information supplied.

Materials to avoid: No applicable information has been found.

SECTION 11: TOXICOLOGICAL INFORMATION

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use. Additional information on toxicological endpoints is available from the supplier upon request.

Potential Health Effects

Inhalation	Under normal conditions of use, no known effect.
Skin	Under normal conditions of use, no known effect.
Eye	Avoid contact with eyes. Irritating to eyes.
Ingestion	Under normal conditions of use, no known effect.

Delayed and immediate effects as well as chronic effects from short and long-term exposure

Acute toxicity	No known effect.
Skin corrosion/irritation	No known effect.
Serious eye damage/eye irritation	Irritating to eyes.
Skin sensitization	No known effect.
Respiratory sensitization	No known effect.
Germ cell mutagenicity	No known effect.
Neurological Effects	No known effect.
Reproductive toxicity	No known effect.
Developmental toxicity	No known effect.
Teratogenicity	No known effect.
STOT - single exposure	No known effect.
STOT - repeated exposure	No known effect.
Target Organ Effects	No known effect.
Aspiration hazard	No known effect.
Carcinogenicity	No known effect.

SECTION 12: ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

Ecotoxicity

Persistence and degradability	No information available.
Bioaccumulative potential	No information available.
Mobility in soil	No information available.
Other adverse effects	No information available.

SECTION 13: DISPOSAL CONSIDERATIONS

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without pre-treatment or adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations. California Waste Code: 331.

SECTION 14: TRANSPORT INFORMATION

DOT Finished packaged product transported by ground: non-hazardous.

IMDG Finished packaged product transported by vessel: non-hazardous.

IATA Finished packaged product transported by air: non-hazardous.

SECTION 15: REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC). Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China). While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this Safety Data Sheet (SDS) contains valuable information critical to the safe handling and proper use of the product. The product described in this SDS is regulated under the United States Federal Food, Drug, and Cosmetic Act (FD&C Act) and is safe to use as per directions on container, box or accompanying information sheet.

SECTION 16: OTHER INFORMATION

Issuing Date: 5/28/2025

Revision Date:

Revision No: 00

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this product. The information contained here has been compiled from sources considered by June Jacobs Labs, LLC to be dependable and is accurate world-wide hazard communication regulations. This information is offered in good faith. Each user of this material needs to the best of the company's knowledge. It is not meant to be an all-inclusive document on to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee exposure, property damage or release to the environment. June Jacobs Labs, LLC assumes no responsibility for injury to the recipients or third persons, or for any damages to any property resulting from misuse of the product.
