PROFESSIONAL
PROBIOTIC
SUPPLEMENT

WARNING: Ingestion of more than 3 grams of Omega-3 fatty acids from fish oils per day may have potential antithrombotic effects, including an increased bleeding time and INR (International normalized ratio). DHA should be avoided in patients with inherited or acquired bleeding diatheses, including those taking anticoagulants.

Precautions: As with other nutritional supplements, consult a physician if you are taking medications, diabetic, are pregnant or nursing; keep out of the reach of children and pets. Contains fish (anchovy and/or sardines, mackerel, jack mackerel), shellfish (shrimp and/or crab, lobster) and soy. May contain trace levels of derivatives from milk. Capsules made from gelatin.

Store at or below room temperature 15° to 30°C (59° to 86° F). Do not expose to excessive heat, humidity or direct sunlight.

How Supplied: Restora™ are blue-green or teal opaque gelatin capsules printed with "US" Logo and "R200" in white. Available in box of 30 blisterpackaged capsules (52747-0200-30). The listed product number is not a National Drug Code. Instead, US Pharmaceutical Corporation has assigned this product code formatted according to standard industry practice to meet the formatting requirements of pharmacy and healthcare insurance computer systems.
