DIRECTIONS:

Adults 12 and over chew 2 gummies.

Take up to two servings per day.

Reduce daily dosage if temporary gas or bloating occurs.

Align Gummies work in 2 important ways:

They contain inulin, a prebiotic that helps nourish your good bacteria*, and also *Bacillus coagulans* LactoSpore®, a probiotic that adds more good bacteria to your system*.

The probiotic in Align Gummies is different from the probiotic found in Align Digestive Support Capsules and Chewables (*Bifidobacterium* 35624™).

For best results, take Align Gummies daily, like other vitamins or supplements.
