

Material Safety Data Sheet

MSDS REPORT

Product Name: Flushable wipes

Client Name: Jiangsu Hongzerui Medical Technology Co.,Ltd.

Written by Shanghai EBTest Technology Co., Ltd.

Material Safety Data Sheet

Section 1-Chemical Product and Company Identification

Sample Name: Flushable wipes

Company Identification: Jiangsu Hongzerui Medical Technology Co., Ltd.

ADD: Innovation Industrial Park, CMC, Taizhou City Jiangsu, P.R.China

TEL: +86 523-8556-1666

FAX: +86 523-8556-1666

Section 2-Hazards Identification

Fatalness grade: In accordance with Directive 2001/58/EC, the product does not belong to dangerous article.

Invasion route: Eyes touch, ingestion.

Health Hazards: The product is not harmful to human body.

Environment hazards: The product is not harmful to environment.

Burn & burst danger: The product is flammable.

Section 3-Composition/Information on Ingredients

Pure ☐ **Admixture** ☒

CAS No.	Chemical Name	Percent
7732-18-5	water	99.05%
123-03-5	Cetylpyridinium chloride	0.08%
532-32-1	Sodium Benzoate	0.3%
55406-53-6	Iodopropynyl Butylcarbamate	0.15%
56-81-5	Glycerin	0.3%
8015-61-0	Aloe Vera Extract	0.1%
53188-07-1	Vitamin E	0.02%

Section 4-First Aid Measures

Skin touch: Flush with soap water.

Eyes touch: Immediately flush with water.

Inhalation: Harmless to human body.

Ingestion: Get medical acid.

Section 5-Fire Fighting Measures

Danger characteristic: Flammable.

Material Safety Data Sheet

Hazardous Combustion Products: Carbon monoxide, carbon dioxide, etc.

Fire-Fighting method & media: Cut off the fire source, move containers from the fire to the empty place as far as possible. Extinguisher: mist shape water, foam, dry powder, and sand.

Section 6-Accidental Release Measures

Emergency treatment: Shut off the divulgence source as soon as possible. Prevent it into restrictive space such as sewer pipes, ditch. Massive divulgence: Dig pit to accept. Move to waste treatment place for handling.

Section 7-Handling and Storage

Handling: With closed operation. To supply with sufficient partial air exhaust. The operating staff must have received special training and abide by the operating regulations. Keep away from heating sources. No smoking in the workplace. Equip relevant types and quantities of instruments and devices for divulgence handling.

Storage: Keep the product in the cool, well-ventilated, and dry place. Keep away from fire and heating sources. Keep the container closed. The storage place should equip devices for divulgence and suitable accept materials.

Section 8-Exposure Controls, Personal Protection

Maximum admissible concentration: No standard yet.

Monitoring Methods: Not available.

Engineering Controls: Generally, it is not necessary to have special protection.

Respiratory Protection: Not available.

Eyes Protection: Not available.

Body protection: Not available.

Hands Protection: Wear gloves.

Other Protections: No smoking in workplace.

Section 9-Physical and Chemical Properties

Appearance: White wet sheet.

Boiling point: Not available.

Flash point: Not available.

Density: 1.0-1.1 g/cm³.

PH: 5

Permission of solvent inhalation: Not available.

Solubility: Insoluble in water.

Section 10-Stability and Reactivity

Stability: The product is stable under normal temperature or pressure.

Distribution of Ban: Not available.

Conditions to Avoid: Strong oxidizer, strong acid and alkali.

Hazardous Polymerization: Not available.

Material Safety Data Sheet

Section 11-Toxicological Information

Acute Toxicity: None.

Sub-acute and Chronic Toxicity: None.

Irritation: Not available.

Sensitization: Not available.

Mutagenicity: Not available.

Carcinogenicity: Not available.

Section 12-Ecological Information

Eco-toxicity: None.

Biodegradable: Not available.

Non-biodegradable: Not available.

Other harmful effects: Not available.

Section 13-Disposal Considerations

Nature of waste: Not available.

Waste disposal methods: Refer to National or Local regulations before handling.
Recycle if possible.

Attention abandoned: Not available.

Section 14-Transport Information

Number of dangerous goods: None.

UN Number: None.

Packaging Mark: Not available.

Packaging Method: Use plastic bag, etc.

Transport Attentions: The package should be integrated when loaded. Steady and soft handling. Avoid being hit. Examine whether the package of the containers are integrate and tight-closed or not before transport. No divulgence, no collapse, no precipitation or no damage during the course of transportation. Don't put the goods together chief food chemicals. Under the condition of Road Transportation, the driver should drive in accordance with regulated route.

Section 15 -Regulatory Information

Regulatory Information: Not available.

Section 16-Additonal Information

References: None.

Guidance departments: Not available.

Data audit unit: Not available.

Other Information: The above information is based on the data of which we are aware and is believed to correct as of the data hereof. Since this information may be applied under conditions beyond our control and with which may be unfamiliar and

Material Safety Data Sheet

since data made available subsequent to the data hereof may suggest modifications of the information, we do not assume any responsibility for the results of its use. This information is furnished upon condition that the person receiving it shall make his own determination of the suitability of the material for his particular purpose.
