

# SAFETY DATA SHEET

This safety data sheet was created pursuant to the requirements of: US OSHA Hazard Communication Standard (29 CFR 1910.1200) and Canada WHMIS which includes the amended Hazardous Products Act (HPA) and the Hazardous Products Regulation (HPR)

Issuing Date 25-Aug-2025

Revision Date 25-Aug-2025

Version 1

## 1. Identification

### Product identifier

**Product Name** Neutrogena Healthy Glow Blush Stick - Spiced Rose

### Other means of identification

**Safety Data Sheet Code** NA-14JW77843

**Reference Document No.** PR-0007075, 14JW77843, PED2571265A-001

**Synonyms** None

### Recommended use of the chemical and restrictions on use

**Recommended Use** Personal Care Product. This SDS is only intended for occupational use of large quantities of finished product and not for consumer use (see packaging label and or insert). This SDS is written to provide environmental, health and safety information for personnel that will be handling this finished product. For health and safety information during manufacturing of this product, please refer to the appropriate SDS for each component.

**Restrictions on use** Use according to package label instructions

### Details of the supplier of the safety data sheet

#### Initial supplier identifier

**Kenvue Canada Inc.**  
88 McNabb Street,  
Markham ON L3R 5L2 CANADA  
800-361-8068

#### Manufacturer Address

**Kenvue Brands LLC**  
1 Kenvue Way  
Summit, NJ 17901  
800-361-8068

### Emergency telephone number

**Emergency Telephone** Call 3E Company at 1-760-476-3959 Provide the technician with the following tracking code: 2277

## 2. Hazard(s) identification

### Classification of the substance or mixture

This product is not considered hazardous by either the US OSHA Hazard Communication Standard (29 CFR 1910.1200) or the Canadian Workplace Hazardous Material Information System (WHMIS).

### Label elements

**Signal word:**

None

**Hazard statements**

None.

**Precautionary Statements - Prevention**

None.

**Precautionary Statements - Response**

None.

**Precautionary Statements - Storage**

None.

**Precautionary Statements - Disposal**

None.

**Hazards classified under paragraph (d)(1)(ii) of 1910.1200**

No information available.

**Other hazards**

No information available.

**3. Composition/information on ingredients**

**Substance**

Not applicable.

**Mixture**

| Chemical name                | CAS No.    | Weight-% | Hazardous Material Information Review Act registry number (HMIRA registry #) | Date HMIRA filed and date exemption granted (if applicable) |
|------------------------------|------------|----------|--|---|
| Caprylic/Capric Triglyceride | 65381-09-1 | 10 - 30  | -  | -   |
| Mica                         | 12001-26-2 | 10 - 30  | -  | -   |
| Synthetic Wax                | 8002-74-2  | 7- 13    | -  | -   |
| Octyldodecanol               | 5333-42-6  | 5 - 10   | -  | -   |
| Silica                       | 7631-86-9  | 5 - 10   | -  | -   |
| Iron Oxides                  | 20344-49-4 | 1 - 5    | -  | -   |
| Titanium Dioxide             | 13463-67-7 | 1 - 5    | -  | -   |

\*The exact percentage (concentration) of composition has been withheld as a trade secret.

**4. First-aid measures**

**Description of first aid measures**

**Inhalation**

It is unlikely that emergency treatment will be required. Move victim to fresh air. If symptoms persist, call a physician.

**Eye contact**

Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. If symptoms persist, call a physician.

|                     |  |
|---------------------|--|
| <b>Skin contact</b> | If skin irritation or rash occurs: Get medical advice/attention.   |
| <b>Ingestion</b>    | Not an expected route of exposure. If swallowed, call a poison control center or physician immediately. Do not induce vomiting without medical advice. |

**Most important symptoms and effects, both acute and delayed**

**Symptoms** No information available.

**Indication of any immediate medical attention and special treatment needed**

**Note to physicians** Treat symptomatically.

**5. Fire-fighting measures**

**Suitable Extinguishing Media** Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

**Unsuitable extinguishing media** None known.

**Specific hazards arising from the chemical** No information available.

**Explosion data**

**Sensitivity to mechanical impact** None.  
**Sensitivity to static discharge** None.

**Special protective equipment and precautions for fire-fighters** As in any fire, wear self-contained breathing apparatus pressure-demand and full protective gear.

**6. Accidental release measures**

**Personal precautions, protective equipment and emergency procedures**

**Personal precautions** In the event of an accidental release, the emergency response team must respond based on a risk assessment and use personal protective equipment as appropriate.

**Methods and material for containment and cleaning up**

**Methods for containment** Prevent further leakage or spillage if safe to do so.

**Methods for cleaning up** Pick up and transfer to properly labeled containers.

**Prevention of secondary hazards** Clean contaminated objects and areas thoroughly observing environmental regulations.

**7. Handling and storage**

**Precautions for safe handling**

**Advice on safe handling** No special precautions are needed in handling this material.

**General hygiene considerations** Handle in accordance with good industrial hygiene and safety practice.

**Conditions for safe storage, including any incompatibilities**

**Storage Conditions** Store in accordance with: product packaging.

**8. Exposure controls/personal protection**

**Control Parameters**

**Exposure Limits**

| Chemical name                  | ACGIH TLV  | OSHA PEL   | NIOSH   |

**Note** See section 16 for terms and abbreviations.  
**Other information on limit values** Vacated limits revoked by the Court of Appeals decision in AFL-CIO v. OSHA, 965 F.2d 962 (11th Cir., 1992).

**Biological occupational exposure limits** This product, as supplied, contains materials that do not have reportable biological exposure limits or are not subject to the reporting requirements of the local jurisdiction.

**Appropriate engineering controls**

**Engineering controls** All personal protective equipment should be based on a risk assessment. Consult an Environmental Health and Safety Expert if necessary.

**Individual protection measures, such as personal protective equipment**

**Eye/face protection** None under normal use conditions. Avoid contact with eyes.

**Hand protection** None under normal use conditions.

**Skin and body protection** None under normal use conditions.

**Respiratory protection** None under normal use conditions.

## 9. Physical and chemical properties

### Information on basic physical and chemical properties

|                                |                   |
|--------------------------------|-------------------|
| Appearance                     | Stick             |
| Physical state                 | Solid             |
| Color                          | red brown         |
| Odor (includes odor threshold) | No data available |

| <u>Property</u>   | <u>Values</u>            | <u>Remarks • Method</u> |
|---|--------------------------|-------------------------|
| Melting point / freezing point                            | No data available        |                         |
| Boiling point (or initial boiling point or boiling range) | No data available        |                         |
| Flammability (solid, gas)                                 | No data available        |                         |
| Flammability Limit in Air                                 |                          |                         |
| Upper flammability or explosive limits                    | No data available        |                         |
| Lower flammability or explosive limits                    | No data available        |                         |
| Flash point   | No data available        |                         |
| Autoignition temperature                                  | No data available        |                         |
| Decomposition temperature                                 | No data available        |                         |
| SADT (°C)   | No data available        |                         |
| pH  | No data available        |                         |
| pH (as aqueous solution)                                  | No data available        |                         |
| Kinematic viscosity                                       | No data available        |                         |
| Dynamic viscosity   | No data available        |                         |
| Solubility  | No data available        |                         |
| Water solubility  |                          |                         |
| Partition coefficient n-octanol/water (log value)         | No data available        |                         |
| Vapor pressure (includes evaporation rate)                | No data available        |                         |
| Evaporation rate  | No data available        |                         |
| Density and/or relative density                           | No data available        |                         |
| Bulk density  | No data available        |                         |
| Liquid Density  | No data available        |                         |
| Vapor density   | No data available        |                         |
| Particle characteristics                                  |                          |                         |
| Particle Size   | No data available        |                         |
| Particle Size Distribution                                | No data available        |                         |
| <u>Other information</u>                                  | No information available |                         |

## 10. Stability and reactivity

|                                    |   |
|------------------------------------|---|
| Reactivity                         | No information available.                 |
| Chemical stability                 | Stable under normal conditions.           |
| Possibility of hazardous reactions | None under normal processing.             |
| Conditions to avoid                | None known based on information supplied. |
| Incompatible materials             | None known based on information supplied. |
| Hazardous decomposition products   | None known based on information supplied. |

**11. Toxicological information**

Information on likely routes of exposure

|                            |   |
|----------------------------|---|
| <b>Product Information</b> | Product does not present an acute toxicity hazard based on known or supplied information. |
| <b>Inhalation</b>          | No information available.   |
| <b>Eye contact</b>         | No information available.   |
| <b>Skin contact</b>        | No information available.   |
| <b>Ingestion</b>           | No information available.   |

Symptoms related to the physical, chemical and toxicological characteristics

**Symptoms** None known.

Delayed and immediate effects as well as chronic effects from short and long-term exposure

|  |                           |
|--|---------------------------|
| <b>Skin corrosion/irritation</b>         | No information available. |
| <b>Serious eye damage/eye irritation</b> | No information available. |
| <b>Respiratory or skin sensitization</b> | No information available. |
| <b>Germ cell mutagenicity</b>            | No information available. |

**Carcinogenicity** Titanium dioxide has been classified by the International Agency for Research on Cancer (IARC) as possibly carcinogenic to humans (Group 2B) and a potential carcinogen by OSHA by inhalation in powder form. This is not applicable to this product.

The table below indicates whether each agency has listed any ingredient as a carcinogen.

| Chemical name                  | ACGIH  | IARC     | NTP | OSHA |
|--------------------------------|--|----------|-----|------|
| Titanium Dioxide<br>13463-67-7 | A3<br>A3 – Confirmed Animal<br>Carcinogen with<br>Unknown Relevance to<br>Humans | Group 2B | -   | X    |

**Legend**

- ACGIH (American Conference of Governmental Industrial Hygienists)**
- A3 - Animal Carcinogen
- IARC (International Agency for Research on Cancer)**
- Group 2B - Possibly carcinogenic to humans
- Occupational Safety and Health Administration of the US Department of Labor**
- X - Present

|                                 |                           |
|---------------------------------|---------------------------|
| <b>Reproductive toxicity</b>    | No information available. |
| <b>STOT - single exposure</b>   | No information available. |
| <b>STOT - repeated exposure</b> | No information available. |

**Aspiration hazard** No information available.

**12. Ecological information**

**Ecotoxicity**

| Chemical name                              | Algae/aquatic plants  | Fish                                      | Toxicity to microorganisms | Crustacea                                 |
|--|---|---|----------------------------|---|
| Caprylic/Capric Triglyceride<br>65381-09-1 | EC50: >100mg/L (72h, Desmodesmus subspicatus)<br>EC50: =50mg/L (96h, Desmodesmus subspicatus) | LC50: >10000mg/L (96h, Brachydanio rerio) | -                          | EC50: =17mg/L (48h, Daphnia magna)        |

**Persistence and degradability** No information available.

**Bioaccumulation** No information available.

**Other adverse effects** No information available.

**13. Disposal considerations**

**Waste treatment methods**

**Waste from residues/unused products** Disposal should be in accordance with applicable regional, national and local laws and regulations.

**Contaminated packaging** Do not reuse empty containers. Disposal should be in accordance with applicable regional, national and local laws and regulations.

**14. Transport information**

**Note:** The information provided in section 14 is intended to provide the user with guidance only on the proper shipping requirements for the finished product in the final packaging - NOT BULK. Transport classifications may vary by container volume and may be influenced by regional or country variations in regulations. It is the responsibility of the Shipper to ensure this product is shipped in accordance with all applicable regulations. Consult your company's Hazardous/Dangerous Goods Expert for information specific to your situation.

**DOT** Not regulated

**TDG** Not regulated

**IATA** Not regulated

**IMDG** Not regulated

**Transport in bulk according to Annex II of MARPOL and the IBC Code** Not applicable

**15. Regulatory information**

**Safety, health and environmental regulations/legislation specific for the substance or mixture**

**International Regulations**

**The Montreal Protocol on Substances that Deplete the Ozone Layer** Not applicable

**The Stockholm Convention on Persistent Organic Pollutants** Not applicable

**The Rotterdam Convention** Not applicable

**US Federal Regulations**

**SARA 313**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

**SARA 311/312 Hazard Categories**

Should this product meet EPCRA 311/312 Tier reporting criteria at 40 CFR 370, refer to Section 2 of this SDS for appropriate classifications.

**CWA (Clean Water Act)**

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

**CAA (Clean Air Act)**

This product does not contain any substances regulated as pollutants pursuant to Clean Air Act (CAA).

**CERCLA**

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

**US State Regulations**

**U.S. State Right-to-Know Regulations**
