Precautionary Statements - Prevention

Wash face, hands and any exposed skin thoroughly after handling

Wear protective gloves, eye protection and face prote

vomiting. Call a physician.

Self-protection of the first aider Avoid contact with skin, eyes or clothing. Wear personal protective clothing (see section 8).

Most important symptom

t symptomatically.

5. Fire-fighting measures

Suitable Extinguishing Media	Use extinguishing measures that are appropriate to local circumstances and the surrounding environment. CAUTION: Use of water sprays		
Large Fire			

not contain any hazardous materials with biological limits established by the region specific regulatory bodies.

Sensitivity to static discharge None.

Appropriate engineering controls Firefighters should wear self-contained breathing apparatus and full firefighting turnout
Special protective equipment and precautions for fire fighters Showers
Eyewash stations
Ventilation systems.

Chemical properties

Information on basic physical and chemical properties	
Physical state	Liquid
Appearance	Clear to hazy
Color	colorless
Odor	fresh air
Odor threshold	No information available

Odor threshold No information available
