

SAFETY DATA SHEET

Product Name	Texture Powder
Revision	000
Supersedes	N/A
Effective Date	March 17, 2026

SECTION 1: Product and Company Identification

Product Name	Based Bodyworks – Texture Powder
Item Number	[INSERT BASED BODYWORKS ITEM / SKU NUMBER]
Supplier:	
	Based Bodyworks
	Los Altos, CA 94024
Telephone Number	[INSERT BASED BODYWORKS CONTACT NUMBER]

SECTION 2: Hazards Identification

Classification of the substance or mixture	No known OSHA hazards
--	-----------------------

GHS Label Elements

Signal Word	No signal word.
Hazard Elements	Not considered hazardous in finished cosmetic products.

Precautionary Statements

General	Read label before use. Keep out of reach of children. May cause skin irritation. May cause eye irritation.
Prevention	Not applicable
Response	Not applicable
Supplemental label elements	Not applicable
Other hazards which do not result in classification	None known.

SECTION 3: Composition and Ingredients

Substance / Mixture	Mixture
Other means of identification	Not available

Ingredient Name

Silica

The product does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

Exact concentration ranges are withheld as confidential business information / trade secret. No component is present at a concentration that would require hazard disclosure. This information will be released to a treating physician or nurse in a medical emergency upon request.

SECTION 4: First-Aid Measures**Description of necessary first-aid measures**

Eye Contact	In case of contact with eyes, rinse immediately with plenty of water. If irritation persists, get medical attention.
Inhalation	No specific recommendations. In the event of any complaints or symptoms, avoid further exposure. Maintain an open airway. Get medical attention if adverse health effects persist or are severe.
Skin Contact	No specific recommendation. Rinse skin with water. Get medical attention if symptoms occur.
Ingestion	No specific recommendation. Wash out with water. Get medical attention if adverse health effects persist or are severe.

Most important symptoms / effects, acute and delayed**Potential acute health effects**

Eye Contact	No known significant effects or critical hazards. May cause eye irritation upon direct contact with eyes.
Inhalation	No known significant effects or critical hazards.
Skin Contact	No known significant effects or critical hazards.
Ingestion	No known significant effects or critical hazards.

Over-exposure signs / symptoms

Eye Contact	No specific data.
Inhalation	No specific data.
Skin Contact	No specific data.
Ingestion	No specific data.

Indication of immediate medical attention and special treatment needed, if necessary

Notes to physician	Treat symptomatically.
---------------------------	------------------------

Specific treatments	No specific treatment.
Protection of first-aiders	Use protective equipment appropriate for surrounding materials.

SECTION 5: Fire-Fighting Measures

Extinguishing Media

Suitable extinguishing media	Use an extinguishing agent suitable for the surrounding fire.
Unsuitable extinguishing media	None known.
Specific hazards arising from the product	No specific fire or explosion hazard. Not flammable or combustible.
Special protective actions for fire-fighters	Promptly isolate the scene by removing all persons from the vicinity of the incident if there is a fire. No action shall be taken involving any personal risk or without suitable training.
Special protective equipment for fire-fighters	Fire-fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full face-piece operated in positive pressure mode.

SECTION 6: Accidental Release Measures

Personal precautions, protective equipment and emergency procedures

For non-emergency personnel	No specific recommendations. For personal protection, see Section 8.
For emergency responders	If specialized clothing is required to deal with the spillage, see Section 8.
Environmental precautions	Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers.

Methods and materials for containment and clean-up

Methods for cleaning up	Move containers from the spill area, vacuum or sweep up materials and place in a designated, labeled waste container and seal securely. Flush contaminated area with plenty of water. Wash thoroughly after dealing with a spillage. Dispose of contents / container in accordance with national regulations.
--------------------------------	---

SECTION 7: Handling and Storage

Precautions for safe handling

Protective measures	Read and follow the supplier's recommendations. Wear protective clothing as described in Section 8 of this safety data sheet. Keep away from food and drinks. Keep tightly closed when not in use.
----------------------------	--

**Conditions for safe storage,
including any incompatibilities**

Store in accordance with local regulations. Store in a container protected from direct sunlight in a dry, cool area, away from incompatible materials. Keep container tightly closed and sealed until ready for use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination.

SECTION 8: Exposure Controls / Personal Protection**Exposure Controls****Appropriate engineering controls**

No specific ventilation requirements.

Personal protective equipment

No specific equipment recommended.

Materials for protective clothing

No specific protective clothing recommended.

Hand protection

No specific hand protection recommended.

Eye protection

No specific eye protection recommended during normal use. Large spillages: eyewear complying with an approved standard should be worn if a risk assessment indicates eye contact is possible.

Skin and body protection

No specific protection recommended.

Respiratory protection

No specific recommendations. Provide adequate ventilation. Large spillages: if ventilation is inadequate, suitable respiratory protection must be worn.

Other information

Wash hands thoroughly after handling. Do not eat, drink or smoke while using this product.

SECTION 9: Physical and Chemical Properties**Physical State**

Light, fluffy powder

Color

Slightly off-white

Odor

Characteristic (no fragrance)

pH

Not applicable

Flash Point

Not applicable

Melting Point

Not determined

Boiling Point

Not determined

Vapor Density

Not determined

Solubility in Water

Soluble in water

Percent VOC

Not applicable

Specific Gravity

Not applicable

Viscosity

Not applicable

SECTION 10: Stability and Reactivity

Reactivity	Hazardous reactions will not occur.
Chemical Stability	This product is stable at normal ambient temperatures and when used as recommended.
Possibility of hazardous reactions	No potentially hazardous reactions known.
Conditions to avoid	No specific data.
Incompatible materials	Do not use with other products.
Hazardous decomposition products	Does not decompose when used.

SECTION 11: Toxicological Information

Acute toxicity N/A

Potential acute health effects

Eye contact	May cause eye irritation upon direct contact with eyes.
Inhalation	No known significant effects or critical hazards.
Skin contact	No known significant effects or critical hazards.
Ingestion	No known significant effects or critical hazards.

Symptoms related to the physical, chemical and toxicological characteristics

Eye contact	No specific data.
Inhalation	No specific data.
Skin contact	No specific data.
Ingestion	No specific data.

Delayed and immediate effects and also chronic effects from short- and long-term exposure

Short term exposure

Potential immediate effects	Not available
Potential delayed effects	Not available

Long term exposure

Potential immediate effects	Not available
Potential delayed effects	Not available

Potential chronic health effects

Conclusion / summary	Not available
General	No known significant effects or critical hazards.
Carcinogenicity	No known significant effects or critical hazards.
Mutagenicity	No known significant effects or critical hazards.
Teratogenicity	No known significant effects or critical hazards.

Developmental effects No known significant effects or critical hazards.

Fertility effects No known significant effects or critical hazards.

Numerical measures of toxicity

Acute toxicity estimates Not available

SECTION 12: Ecological Information

Toxicity Not available

Persistence and degradability Not available

Bioaccumulative potential Not available

Mobility in soil Not available

Other adverse effects Not available

SECTION 13: Disposal Considerations

Waste disposal recommendations / non-household setting Dispose of waste material in accordance with all local, state and federal regulations.

For household setting The following instructions are for consumer usage only. Do not discharge product into natural water without pretreatment or adequate dilution.

SECTION 14: Transportation

Finished packaged product transported by ground (DOT) Non-hazardous

Finished packaged product transported by vessel (IMDG) Non-hazardous

Finished packaged product transported by air (IATA) Non-hazardous

SECTION 15: Regulatory Information

U.S. Federal regulations The product is regulated under the Federal Food, Drug and Cosmetic Act and is safe to use as per indications on the container, box or accompanying literature (where applicable).

CERCLA Reportable Quantity (RQ) Not applicable

SARA 302 / 304 / 311 / 312 Not applicable.

Canada All ingredients are CEPA approved for import to Canada. This product has not been declassified in accordance with the hazard criteria of the Canadian Controlled Product Regulations (CPR) and this SDS contains all information required by the CPR.

US State

CA Prop 65	This product is not subject to warning labeling under California Proposition 65.
Other	None
Regulated as	Cosmetic

SECTION 16: Other Information

This SDS is intended to provide a summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by Based Bodyworks to be dependable and accurate to the best of the company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.
